Von Dara Joy : Mine to Take (Matrix of Destiny Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mine to Take (Matrix of Destiny Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. I want my own Familiar!Von Ein KundeMine To Take, the third installment in Dara Joy's Matrix of Destiny series, is one of the most enjoyable sexy books I've read in a while. Which is understandable since it's about Gian Ren - a high-placed male Familiar (a race of people who are shapechangers - they change from cats to human-like bodies and are unspeakably sexy and sexual - *Meeow* anyone?).The book takes place in an alternate fantastical reality and is essentially a road romance - the couple travels from planet to planet escaping danger after danger. In this universe

Familiars are illegally drugged, captured and sold on the black market slave market by people wanting to exploit their sexuality. Gian Ren has had exactly this happen to him, and Jenise, a Princess on the run, offers to free him if he'll free her of her virginity. Thus begins their travel throughout the universe, as they try to get to safety and Gian Ren tries to convince Jenise to find freedom in love rather than seeing it as the prison that she sees it to be. This is one sexually charged book. The first sex scene takes place in the first 50 pages, and the book is peppered with hot, sexy love scenes throughout. Often when a book has lots of sex, it can be boring - with the couple boinking whenever possible, and the reader just getting tired of reading about it all the time. But in Mine To Take, the sex is so *unique* - with the author being very explicit about the (ahem) enhancements that Familiars have - and there is a character-driven storyline wherein Gian Ren is trying to convince Jenise that she need not be controlled by love, so the sex scenes are a part of this character development rather than being just repetitive boinkings. I don't recommend reading this book out of order. The series begins with Knight of a Trillion Stars (another good read), continues in Rejar, and then further develops in Mine To Take. And while this book is a good read in and of itself, it is about more than just the hero and heroine - the universe the book takes place in is heading toward upheaval (which will be covered in the next 6 installments of the series), and a reader unfamiliar with the first two books of the series would be confused by the many storylines in Mine To Take that revolve around characters other than Gian and Jenise. On the other hand, for those who have read Knight of a Trillion Stars and Rejar, this is a fun, sexy, enjoyable read that explains much of what has come before and builds excitement for the rest of the series.

1 von 1 Kunden fanden die folgende Rezension hilfreich. No matter what she writes Dara Joy is a PLEASURE TO READ!!!! Von Ein Kunde I started with Rejar, (Christmas present to myself, and it was the best one I got!). when I finished, I searched and searched for Knight of a Trillion Stars (like a junkie) and had to wait for the back order to come in (I consumed it, like a small box of chocolates) then started the search for Tonight or Never, (great historical, marvelously funny situations, but not my favorite). I finally got a hold of High Energy and WOW what a great book (loads of potential for follow up series, definitely a contemporary book). Finally... Mine to Take was released (I snapped it up in a heart beat, I'm ashamed to say I neglected all and considered everything an annoyance until I had completed it.) All I can say is Marvelous. Read them cover to cover then let them rest and go read them again you will pick up so much more in the subsequent readings, so many nuances to behold. Will Yaniff, (what a naughty rogue) and Aunt Agatha make a "pair"? What is Krue Suleila story? (what a concept to anchor the series.) and what about the other babes of Adeann and Lorgin (hint... hint). Everyone is dying to know Traed's story and Dariq's, knowing the other tales will be as intriguing and enchanting as the stories before. Bless you Dara Joy for sharing them with us. I hope you get the chance to read this! One question is that your pen name? What a concept, every time you open one of your books, you dare a joy!!! Keep on creating, you definitely have something going! /jh2 von 2 Kunden fanden die folgende Rezension hilfreich. OH MY! KEEP THEM COMING! Von Ein Kunde I have read this whole series and cannot wait for more! Where can I find a man like GIAN! Again, typical Dara Joy. This book was hot, sexy and funny as well. What a combination in a story! This book made you wish there really was such a place to live with these types of men on it.

Kurzbeschreibung YOU WILL NEVER FORGET GIAN REN... He was full-blooded and untamable. Sensual and sinuous. Erotically magnetic. A uniquely beautiful creature who could make himself irresistible to women. And he was feral at heart. With his glittering green and gold eyes, silken hair, and purring voice, the stunning captive chained to the wall was exactly what Jenise needed. And he was hers to take... Or so she believed. But she had never heard how dangerous it was to lie down with the cat. Multi-award winner! Best Paranormal Romance (BCN), Most Luscious Love Story, (AAR), Best 'Other' Romance (AAR), Favorite Hero, TOP PICK! Romantic Times Book Club, Sapphire finalist, A+ Desert Isle Keeper, and more. New York Times, USA Today, Bestseller REVIEWS: "If you thought Rejar was the sexiest stud you ever met between the covers of a book, wait until you get a load of Gian Ren..." - TOP PICK! Romantic Times Book Club "Hotter than a firecracker on the 4th of July!" - Melinda Helfer "This fiery gem of a love story is another spectacular landmark in the shooting star career of one of the romance genres most fabulous talents..." - TOP PICK! Romantic Times Book Club ""GIAN MAKES ME SHIVER!" - Maggi S. "Dara Joy is a master of sensual writing..." - Dana S. "The characters will captivate you as they fight for the freedom to be themselves." - Memzy "Gian is probably one of the best, if not the best hero EVER created..." - Rene G. "Gian Ren and Jenise are two of the most passionate lovers you will meet..." - Jackie C. "OK, I want a Gian Ren too!" - Julie.de In a galaxy far, far away, beautiful Jenise will do anything to escape marriage to her late stepfather's evil brother, Karpon. When she discovers that Karpon has captured a powerful shapechanger, Gian Ren, she decides to make him an offer he can't refuse. Gian Ren has been drugged, stripped, and chained to a wall. Despite his circumstances, Jenise is wary, for even chained the shapechanger is formidable. Surprisingly, he accepts her unusual request that he deflower her in exchange for her aid in escaping. Gian passionately accomplishes his part of the bargain and within moments, the two set off on a perilous journey, fleeing from Karpon and his soldiers. Mine to Take has action, adventure, and enough steamy sensuality to light up the night sky. H-O-T!.com In a galaxy far, far away, beautiful Jenise will do anything to escape
