Spannend, leidenschaftlich und gut geschrieben!Von Ira W.Wer ab und an in meine Rezensionen reinschnuppert, hat vermutlich schon mitbekommen, dass ich auch eine kleine Schwche fr die Bcher der amerikanischen Autorin Ednah

Walters habe. Nachdem ich schon ihre Runes-Reihe (YA) sehr gut fand, nahmen mich dann "Impulse" und "Slow Burn" (beides Contemporary Romance) vollends für ihre Bücher ein. Wie auch schon die beiden anderen Bücher dieses Genres, die ich von ihr kenne, berzeugt auch "Mine until dawn" durch seine ganz eigenen Charaktere, die berzeugend und authentisch dargestellt werden und durch eine spannende und aktionsreiche Story. Auch wenn die Geschichte alle Elemente einer ordentlichen zeitgenössischen Liebesgeschichte hat, schafft es die Autorin auch in diesem Buch wieder gekonnt, alle Klischees zu umgehen. Ihre Charaktere sind Menschen, mit denen man sich als Leser leicht identifizieren und mit denen man mitfühlen kann. Sie bauen auch mal Mist, verletzen einander, sind aber dennoch freinander da, wenn es drauf ankommt. Die Gefühle der Protagonisten entwickeln sich auf eine absolut nachvollziehbare Art, nicht immer ganz geradlinig, aber gerade dadurch auch immer authentisch. Besonders gut gefällt mir immer wieder, dass die Charaktere in Ednah Walters' Büchern zwar oft durchaus stark von ihrer Vergangenheit geprägt sind, so dass es ihnen nicht unbedingt leicht fällt, sich auf einen Menschen einzulassen und ihm zu vertrauen, aber sie schaffen es dennoch, sich von diesen Erfahrungen loszumachen und ihre Beziehungen positiv zu gestalten. Sie sind weder perfekt, noch so unsicher, dass man sie am liebsten die meiste Zeit schütteln möchte, wie das bei einigen anderen Büchern dieses Genres gerne mal der Fall ist. Emanzipierte Frauen, selbstbewusste Männer, die es trotzdem schaffen, den Alpha-Neandertaler auszuschalten und dazu auch noch interessante Nebencharaktere in einer gutgeschriebenen und interessanten Geschichte, sind auf jeden Fall schon mal eine Empfehlung wert. Auch die Geschichte von Jade und Vince macht hier keine Ausnahme, im Gegenteil. Es bringt Spaß mitzuerleben, wie die beiden Protagonisten zueinander finden und langsam erkennen, wie sie zueinander stehen. "Mine until dawn" ist ein Teil der Reihe um die Fitzgeralds, einer sehr großen Familie, der wohl jeder Leser gerne angehören würde. Stur, eigenwillig, jeder für sich eine ganz besondere Persönlichkeit, aber sie halten zusammen und stehen immer freinander ein. Auch "Mine until dawn" kann ich Liebhabern der Contemporary Romance uneingeschränkt empfehlen!

It is my honest review. This book is a second book in the Fitzgerald Series by E.B. Walters and I have to admit that I have enjoyed it much more than Slow Burn, which is the first part. In this part Ednah has shown a better writing and much more complexed characters. I didn't even mind that the book is written from the 3rd person POV. In here we meet Jade Fitzgerald, a young woman, who is a professor at University and loves antiques and anything that involves them. She is recovering from a bad relationship and now she is trying to be "I am in control" Jade and I admire her for that, because you can see that she really fights it and it's not easy when every single person in her large family is overprotective toward her. She is trying to prove them and herself that she is strong and take care of herself without the whole clan lurking around the corner. I really enjoyed her as a character. She is intelligent, sassy and strong-willed. When she decides to be adventurous and even considering an affair, Vince Knight happens. Vince is a mysterious, handsome and take charge in everything kind of man. He and Jade know each other briefly from high school, but were not exactly friends. He is mysterious and hides a dark past, which still causes him a lot of pain and prevents him to fully commit himself to his emotions towards Jade. At least at the beginning. The case of a stolen ancient statue brings them together (not that Jade was asked nicely to help him, though) and their time together starts. The famous words: Mine Until Dawn haunts Vince almost all the time when Jade is pointing it to him every chance she has. I really enjoyed this book and loved the story, and the fact that the romance the main concentration of it. And also that it wasn't easy love. But what I enjoyed the most? Vince, dancing and Ashley's bachelorette party :) Amazing! I still giggle whenever I think about it! A strong 4,5 stars for this book :) And now off I go to next part :D

Walters is book two in the Fitzgerald Series and is an easy read with steamy sex, mystery and action. It's well written and with a great plot. I like the story and I'll read other books from Ednah and/or in this Series.

Kurzbeschreibung A man searching for salvation. A woman who can deliver it. Will he recognize the priceless gift she gives him? Vince is like a category five hurricane. He takes no prisoners. Now he is focusing all his energy on one woman. Sexy and arrogant investigative reporter Vince Knight lives dangerously. In fact, he craves danger and trouble always finds him. When he goes in search of a missing artifact, he finds a priceless gem a woman he can't have. Or can he? Art historian Jade Fitzgerald can tell a fake from a mile away. Fake artifacts, that is. But the smoldering attraction between her and Vince is definitely the real deal. So when he asks her to give him one night, Jade is intrigued. Little does she know Vince is playing for keeps, pulling her deeper into his dangerous world. A missing artifact brings them together. Something more powerful will make them stay.

FROM THE AUTHOR: To my fans, thank you for your support. You have stayed with me through bad editing and revamped covers. Without you, this series would not have become this popular. Expect more Fitzgeralds soon. I will always strive to publish polished books and that's why I let go of my former editor and have a new editor... *hugs* Ednah Walters
