KurzbeschreibungFrom Wall Street Journal bestselling author Melinda Leigh. After corporate attorney Hannah Barrett tries and fails to stop a kidnapping in Vegas, she can't shake the haunting image of the terrified young girl she couldn't save. She tells herself that a visit to her hometown in Scarlet Falls could be a welcome distraction. But soon, Hannah realizes the kidnapers have all the info they need to track her every move. And when chilling e-mails about the victim appear in her inbox, it's frighteningly clear what happened in Vegas has followed her home. Eight months after a terrible family tragedy, Hannah turns to Detective Brody McNamara once again. Brody is eager to help, though he's embroiled in the investigation of a brutal murder. But the closer they work together, the stronger their feelings grow and the more they stand to lose when two seemingly unrelated, but equally deadly, cases collide. *Minutes to Kill* is the pulse-racing second novel in bestselling author Melinda Leigh's Scarlet Falls series. 2015 Golden Leaf Award Finalist 2016 Killer Nashville Silver Falchion Award Winner

ber den AutorWall Street Journal bestselling author Melinda Leigh is a fully recovered banker. A lifelong lover of books, she started writing as a way to preserve her sanity when her youngest child entered first grade. During the next few years, she joined Romance Writers of America, learned a few things about writing a book, and decided the process was way more fun than analyzing financial statements. Melinda's debut novel, *She Can Run*, was nominated for Best First Novel by the International Thriller Writers. Her bestselling books have been nominated twice for the Daphne du Maurier Award. When she isn't writing, she is an avid martial artist: she holds a second-degree black belt in Kenpo karate and teaches women's self-defense. She lives in a messy house with her husband, two teenagers, a couple of dogs, and two rescue cats.
