Good bookVon Pulpfiction99At the beginning it seems like there is only on heroin in this book - miranda. but that is not true, the other characters have got equally good stories that are worth reading.it is about different people who get to know each other and become friends and their different ways of finding love or companionship.Most of the story is

very believable and makes an excellent read. Recommended holiday or relaxation read. 1 von 2 Kunden fanden die folgende Rezension hilfreich. very charming Von Ein Kunde I can recommend this book to everyone who wants to dive in some really nice plot and want to forget reality for some hours. It is about a girl (Miranda) who looks for a man in her life and you will never guess what's all happening to her. I won't tell you, but: I was laughing and crying and it is very romantic and enchanting. Buy it !!!

Kurzbeschreibung Jill Mansell's irresistible and heart-warming bestseller *MIRANDA'S BIG MISTAKE* is not to be missed by readers of Lucy Diamond, Cathy Kelly and Milly Johnson. Fans love Jill's books: 'Achingly romantic' Heat is the answer to a single girl's prayers? Or is he Miranda's big mistake? Miranda is thrilled when she meets Greg at a cocktail party. He's gorgeous, he's funny - and he's very keen. Just what a girl needs to put some sparkle in her life. Heavens, he's practically perfect! Greg likes Miranda a lot. She's young, she's pretty, and she never talks about babies. Of course he hasn't told her everything about himself - even the sweetest girls can be a bit funny about a man who's just left his newly pregnant wife. But there's no way she's going to find out - or is there? Luckily for Miranda men are like buses - you don't see any for ages then three come along at once. She just needs to catch the right one...
