**Von Barbara Michaels : Vanish with the Rose** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vanish with the Rose:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well researched.Von Ein KundeThis book exerted an energy towards me, not much unlike the paranormal forces Diana felt

in the house. The energy was alive with laughter, excitement, apprehension and fear. Every page was filled with shivery anticipation of what deadly secrets Diana would discover next and I found myself unable to put the book down until my fears were appeased a little. I loved every character, especially Andy, whose wit and charm and unnerving loquacity (genetic, right?) made him the perfect hero for this suspense novel. Diana is the kind of woman any sensible young girl wants to grow up to be--- independent, clever and as tough as nails. She finds that deception and betrayal have close ties to love and obligation. Her brother, Brad, teaches her this from the grave and Diana becomes aware of inner strength she never knew she had. It's one of the longest Michaels' books I've ever read and I loved it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Inflated volume does not a good book make ... Von Ein KundeHas the author sold out to "commercialism"? Such rambling on and on and on .... Finally, after almost 1/3 way through the book, the reader is told why Diana is posing as a landscape artist (even though it's easy to get this fact by reading the Synopses has kindly provided!). I could not finish this book; didn't even bother to find out how the story ends.I could not help but think that since Ms. Michaels is a "bestselling" author, her publisher got her to write "another" book, as many pages as possible so that the publisher could justify charging more for a 400+ page paperback.No, this book does not measure up to what the author is capable of. I have read and enjoyed two of her "Amelia" books, written as Elizabeth Peters.0 von 0 Kunden fanden die folgende Rezension hilfreich. It was good, but it could have been better . . . Von Ein KundeI am an extremely dedicated fan of Barbara Michaels, and in my opinion this is not one of her better books. The overall plot was good, but I didn't really think there was enough reason for the haunting ghosts and the dancing music associated with Martha Fairwether. I also thought it would have been a whole lot better if Diana ended up with Walt instead of Andy, because the latter is sort of a dufus. If you really want a great Michaels book, check out the following: OUT OF THE DARKNESS, WINGS OF THE FALCON, BE BURIED IN THE RAIN, SONS OF THE WOLF, and THE GREY BEGINNING

KurzbeschreibungFearing for the safety of her missing brother, lawyer Diana Reed will do anything to get to the truth. Taking a job as a landscape architect at the last place Brad was seen the sprawling estate where he worked as a caretaker she prowls the strange old house determined to unlock its secrets. But each mystery Diana uncovers is more unsettling than the last, as odd visions, scents, and sounds pervade an atmosphere of dread and barely suppressed violence. And in her zealous search for answers, she may have inadvertently opened a door to something frightening and deadly that can never be closed again.KurzbeschreibungFearing for the safety of her missing brother, lawyer Diana Reed will do anything to get to the truth. Taking a job as a landscape architect at the last place Brad was seen the sprawling estate where he worked as a caretaker she prowls the strange old house determined to unlock its secrets. But each mystery Diana uncovers is more unsettling than the last, as odd visions, scents, and sounds pervade an atmosphere of dread and barely suppressed violence. And in her zealous search for answers, she may have inadvertently opened a door to something frightening and deadly that can never be closed again.Synopsis Posing as a landscape architect in order to find out what happened to her brother, Brad, Diana Reed arrives at the Nicholson's eighteenth-century mansion, where Brad was last seen, and enters a bizarre world of treachery. Simultaneous.
