**Von Megan Caldwell : Vanity Fare: A novel of lattes, literature, and love** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vanity Fare: A novel of lattes, literature, and love:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Flotte UnterhaltungVon eatheklaMir hat dieses Buch gut gefallen. Die Dialoge sind witzig und die Charaktere gut beschrieben. Die Handlung - in Scheidung lebende alleinerziehende Mutter - Geldsorgen, zunchst kein Job etc. kann

ich gut nachvollziehen. Aber Gott sei Dank klrt sich alles zum Guten.

Kurzbeschreibung Vanity Fare is a charming tale of food, family, literature, and romance in which a 40-year-old newly single Brooklyn mother embarks on a culinary writing career and finds herself at the center of a deliciously tempting love triangle. Molly Hagana heroine whos wittier than Ellen DeGeneres on speed (New York Times bestselling author Sabrina Jeffries) is overwhelmed. Her cheating husband left her for a younger blonde, her six-year-old son is questioning her authority, and shes starting a job as a copywriter for a local Brooklyn bakery. She doesnt need the complications of a new love. But the bakerys sexy British pastry chef is determined to win her heart. And there is his intimidating and oh so irresistible business partner...who happens to have a secret that might prevent Molly from getting her own Happily Ever After. Funny and sweet, Megan Caldwell's charming romantic novel includes five delicious recipes developed with the pastry chef from Union Square Caf. Pressestimmen...a charming winter read... (Romantic Times BOOKclub) Caldwell's light intrigues and bevy of supporting characters cast an old-fashioned spell on her modern Brooklyn romance. (Kirkus s)...readers will identify with [Molly's] attempts to rise from the ashes. (Publishers Weekly) It has everything I could ask for in a book, a brilliant plot, brilliant characters, witty writing (I LOVE witty writing), its snarky, its just plain fantastic. Do pick up Vanity Fare, it will surprise you in the best way possible. (Chick Lit s) Kurzbeschreibung Vanity Fare is a charming tale of food, family, literature, and romance in which a 40-year-old newly single Brooklyn mother embarks on a culinary writing career and finds herself at the center of a deliciously tempting love triangle.
