Auerirdische Entführung - gut gemacht Von Sabine Saebel dieses Buch hat mir gut gefallen - obwphl ich sicherlich schon hunderte zum hnlichen Thema gelesen habe, war doch wieder mal was neues drin. Nicht nur war die Hauptdarstellerin nicht so naiv gezeichnet, wie sonst oft blich, sonder auch der mnliche Held war nicht nur von seinem Aussehen und anderen Fhigkeiten so beeindruckt, sondern sah die Entführung auch durchaus nur als politisch

notwendige Manahme. Fantasyinhalte muss man natlich akzeptieren, auchb glaube ich nicht, dass es in Echt so einfach und schnell geht, aber es ist eine Geschichte - und diese ist auch gut geschrieben !!!

KurzbeschreibungSometimes, allies arent what they seemAfter a genetic bio weapon wipes out nearly every Shadalla female on the planet Nibiru, Sovereign Vayne Palldyn is determined that his species not become extinct and vows to take revenge on those responsible for the genocide. But Vayne is about to learn that some things cant be taken by force.Former prisoner of war Neira Grekov was looking for a new start when she boarded the starship Astris. Being kidnapped by the Shadalla wasnt what she had in mind. Shes heard the stories before, rumors of the Shadalla abducting women, and she knows all too well whats in store for her fellow passengers. When Vayne claims her as his chosen mate, Neira is determined to resist the handsome sovereign. Shes long since stopped believing in missing pieces and forever.Then the stars align and truths are discoveredand nothing will ever be the same.KurzbeschreibungSometimes, allies arent what they seemAfter a genetic bio weapon wipes out nearly every Shadalla female on the planet Nibiru, Sovereign Vayne Palldyn is determined that his species not become extinct and vows to take revenge on those responsible for the genocide.
