Reading Von Ein Kunde I read this book without having read the 2 previous books in the series. It was fairly easy catching up on who the characters were. One thing I found annoying is that during conversations, characters would bring up things that other characters had done throughout the book, but there seemed to be no relevance to the conversation. It is almost as if Miss Michaels was trying to remind the reader what had happened previously. It seemed unnecessary to me. I am, however, looking forward to reading Vegas Heat and Vegas Rich. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic book. Everyone should read this one! Von Ein Kunde Vegas Sunrise was just wonderful, really loved how you wrote this one. Don't want to give it away to those that haven't read it, but it was really wonderful different which is so nice to have something to read that isn't like everyone else's. Recommend it to everyone. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Couldn't put it down it was so good. Von Ein Kunde Vegas Sunrise was great. Fantastic ending to the series.
