**Von Terry Mixon : Veil of Shadows (Book 2 of The Empire of Bones Saga) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Veil of Shadows (Book 2 of The Empire of Bones Saga) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite a good sequelVon Avid ReaderIt was not quite so good as the first volume IMO, which is par for the course in many

series, but I am still looking forward to the third volume. The characters are engaging, and the action non-stop, even if some of the plot developments depend on surprising coincidences. The conflict with Kelsey's twin brother is still unresolved, as is the mystery of the "Pale Ones" and their origin.

KurzbeschreibungPrincess Kelsey Bandar made a terrible, life-altering mistake. Her enemies gave her unspeakable agony in return. She must forge the iron will to control the weapon her body has become. If she fails, the monsters who tortured her come for humanity. And horrors worse than she knows wait in the darkness. If you love military science fiction and grand adventure on a galaxy-spanning scale, grab *Veil of Shadows* and the rest of *The Empire of Bones Saga* today!
