Everything is Grey, grey, grey Von Customer Just like the previous novels, this one is fast-paced fun, with great characters, moral twists, and a main character that might be less hero than some, but is so much more real for it. And even better, the world keeps expanding, becoming more complex, more layered and morally greyer. Verus has decided

to stay away from his old Master and to not get involved into the political (and deadly) power struggle between the various Light factions on the Council, and the Dark Mages. Keeping his head down, becomes so much more difficult when he learns of the darkest secret of the Light side and is supposed to look away. But Verus has time and again proven that he is notoriously bad at obeying...This UF series does not shy away from difficult choices, a grey hero, political schemes and tortured, innocent victims. Every novel so far seemed to be centered around one key moral question. The one in this novel clearly is: What is the worth of laws and their keepers, when they aren't enforced?0 von 0 Kunden fanden die folgende Rezension hilfreich. Super spannendes Buch \*\*\*\*\*Von PseudonymWiedermal eines der spannendsten Bcher die ich in letzter Zeit gelesen habe. Innerhalb von nur 3 Tagen hab ich alles ausgelesen gehabt.Freue mich schon auf den nchsten Teil der leider erst im April 2016 erscheinen wird (Burned).0 von 0 Kunden fanden die folgende Rezension hilfreich. Wie immer gut aber in der Serie insgesamt eher schwcherVon AxelEine tolle Reihe: komplexe Zusammenhnge, Charaktere mit Kanten, ungewhnliche Geschichten! Aber: dieses Buch ist wie immer gut, aber in der Serie eher das Schwchste. Wer neu einsteigt: unbedingt mit dem ersten Buch beginnen!

KurzbeschreibungREBEL NO MOREAlex Verus is a mage who can see the future, but even he didn't see this day coming. He's agreed to join the Keepers, the magical police force, to protect his friends from his old master, the Dark Mage Richard Drakh.Going legit was always going to be difficult for an outcast like Alex, and there are some Keepers who aren't keen to see an ex-Dark mage succeed. Especially when Dark mages are making a play for a seat on the council, for the first time in history.Alex finally has the law on his side -- but trapped between Light and Dark politics, investigating a seedy underworld with ties to the highest of powers, will a badge be enough to save him?PressestimmenHarry Dresden would like Alex Verus tremendously - and be a little nervous around him. I just added Benedict Jacka to my must-read list (Jim Butcher, author of the Dresden Files)A deft, thrill-ride of an urban fantasy - a stay-up-all-night read (Patricia Briggs on FATED)Whoop-ass excitement from the new master of magical London (Charles Stross on CHOSEN)WerbetextThe sixth novel in this compelling urban fantasy series featuring Alex Verus, the Camden-based mage who just can't stay out of trouble despite his ability to see the future. Perfect for fans of Jim Butcher or Ben Aaronovitch
