Von Dori Lavelle : Veiled Obsession (His Agenda 1): A Gripping Psychological Thriller (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Veiled Obsession (His Agenda 1): A Gripping Psychological Thriller (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Dster, schnell und fesselndVon LotessaDer erste Teil dieser Buchreihe macht Lust auf mehr und weicht endlich mal von 0815-Heirate den perfekten Millionr und reite in den Sonnenuntergang-Stories ab. Hayley ist eine sehr sympathische Heldin, der man ihre Naivitt wirklich abkaufen kann. Ihr Retter und baldiger Ehemann Jude hat so ein extremes Ding am Rennen, dass man sich manchmal aufgrund seiner perversen Machenschaften ein Grinsen nicht unterdrcken kann.Alles in Allem aber so unfassbar unterhaltsam, dass ich aus voller berzeugung fnf Sterne vergeben kann.

Kurzbeschreibung**NOTE: This book contains dark themes, including violence of a sexual and physical nature that could trigger emotional distress in readers.**I cry for the man I used to know, the man I used to loveuntil his love killed mine.My name is Haley Macknight, and Im dying inside. From the outside my life is every womans dream. Im married to Jude Macknight, a sexy multimillionaire who loves metoo much. Once upon a time, I loved him. But that love is dead. Unwilling to let me go, Ive become his obsession. His heart is dark and damaged, and he will stop at nothing to make sure I remain in a marriage I no longer want, inside my gilded cage.Each day I pull away from Jude, I watch him transform into a monster. Before my eyes, he becomes a man I dont recognize, a dangerous man. He makes it clear that I belong to him, that my life is no longer my own. If I leave, hell kill me. But if I stay, Ill die a slow death.

ber den Autor und weitere MitwirkendeDori Lavelle, is a mother, wife, and a sucker for happy ever afters and mint chocolate. Give her a great romance novel and a mug of hot chocolate and she'd be one happy woman. Growing up, Dori read a lot, and when she wasn't happy with a particular ending, she wrote a different one, just for herself. Before long, she was writing stories when she should have been doing homework. The time has come for her to share the stories she cooks up in her head.
