Closure to the Velvet Series Von Abbys I read all Velvet series... my favorite of all is the first book, Velvet Promise. However, this book, Velvet Angel, also captured my heart. I was always intrigued by this "Miles" character ever since I read the Velvet Promise. He was described as a handsome, silent, mysterious and have the ability to seduce woman kinda guy. He was also supposedly loved by all woman. So, it was excitingly interesting for me to read his ways of seducing Elizabeth. Especially, when she was being stubbornly difficult. I like the way Miles finally used his first born son to capture Elizabeth's heart. It worked too! ..until he got busted! I have many favorite parts of this book but the ending was memorably funny. The Montgomery brothers and their wives all together, helping each other was heart warming. That is what family is all about! I thoroughly enjoyed this book. In the beginning it contains fear, hate, revenge, distrust and sadness but in the end it is full of love, trust, understanding forgiveness - A riveting end to the Velvet series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The fourth in her velvet series: a dull, predictable read. Von Ein Kunde I think Ms. Deveraux could have done way better than this. I knew what was going to happen before I finished reading the last ten chapters. Elizabeth gave in to easily to Miles's charms. She was a strong intelligent character, her motto should have been, " fight to the death." and if she was really smart she would have made use of that ax when she had the chance(not doing brutal harm mind you). Sometimes Miles deserved it.:) 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Good Finish to the "Velvet" Series Von Customer This is the final and most endearing of the story of the four Montgomery brothers. I had been looking forward to reading about Miles, he is supposed to be the strong silent type of all the brothers. I fell in love with the romance between the passionate Miles and the stubborn Elizabeth. A very enjoyable read and a good finish to the series.

Kurzbeschreibung She came to him as a precious gift, a naked angel rolled in a rug. Once he gazed into her green eyes, saw her tangle of honey blonde hair, he was undone with passion. Elizabeth would never surrender. He was a hated Montgomery -- she was a Chatworth -- and the blood war between their families raged on, a wildfire of rape, murder, and betrayal. Elizabeth vowed to fight the handsome lord, to resist the burning desire in his eyes -- no matter how great the temptation.
