Von Emma Holly : Velvet Glove (Black Lace) before purchasing it in order to gage whether or not it would be worth my time, and all praised Velvet Glove (Black Lace):

Entertaining, sexual but kind of light on the D/S Von Minnesota Raven I enjoyed Ms. Holly's novel about a very ripe

twenty two year old recent college grad. I found her use of the English language, creation of an actual storyline and character development most refreshing. You just don't get that in most of these types of books. That's why she gets the 3 stars from me. The reason she didn't get more stars is because she was inconsistent. For instance when she is with Sterling, her first Dom in Florida, Ms. Holly is very very descriptive. She describes how Sterling dominates her and plays out the scenes. When she takes up with Patrick, her one true love, she is very descriptive about the sex but woefully lacking in any sort of description of dominating by Patrick. Yet time and time again we are to believe he's really good at it and our little lady falls in love with him because she has never been mastered so skillfully. When you buy D/S books you want some d/s plus the sex. Call me greedy. But it was entertaining and I don't regret buying it. 2 von 2 Kunden fanden die folgende Rezension hilfreich. I SO loved this book! Von Kellie Cook I am a long-time erotica reader and Emma Holly does it again. This has to be my favorite book by her so far. The plot is wonderful. Audrey is a submissive who leaves her cruel master, Sterling. She is lost, physically and mentally. She seeks shelter with a long-time friend, but he does not meet her needs. Then she goes to work as a waitress at a bar, owned by raven-haired, gorgeous Patrick. Patrick is a gentle master, and takes Audrey under his wing. This book never let me down, plot-wise or with the wonderful sex scenes. Brava Emma! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Her master's voice? Von Dirty Bird Emma Holly has pretty much established herself as one of the top authors of erotica. Her novels have compelling stories, well-rounded characters, and hot hot sex. All of the characters are interesting and none are wasted - from bar-owner Patrick transvestite singer Basil (with whom Audrey forms an unlikely threesome), to her old college friends, Tommy Cynthia (living with each other but both in love with Audrey) and a host of others besides. If you are not into SM you will still enjoy Velvet Glove, because it is basically a love story with the plot twists created out of the twists turns of the characters' interaction with each other. Also Emma Holly has that rare storyteller's gift of being able to pull her readers wholly into her world and make it ours as well. She makes the life of a submissive female seem not only normal, but positively idyllic. Read this book and then buy everything else by Emma Holly!

Kurzbeschreibung Audrey Popkin realises she has bitten off more than she can chew when she gets embroiled with icy-cool banker, Sterling Foster. His ideas about how to have fun are more bizarre than any English Literature graduate should have to put up with! One morning she packs her bags and walks out of his luxury Florida apartment, heading back to Washington DC in search of a more regular deal with a more regular guy. But, for a girl like Audrey, this is not as easy as it sounds. When Patrick Dugan, the charismatic owner of an old-world bar with a talent for mixing the smoothest cocktails, fixes Audrey in his sights, some strange alliances are about to be formed. Within a week Audrey talks her way into a job at Patrick's bar and a room in the apartment he shares with a drag queen jazz singer called Basil - who has a great line in platinum wigs. Audrey soon realises that Patrick is not all he seems. Why is he pretending to be gay? And what is he covering up for his father, a pillar of the local community? Audrey is so besotted with the enigmatic barman that she doesn't realise they are connected by a mutual adversary - a steely, cold-hearted son of a bitch who will take them all down if he doesn't get his little plaything back. A fast-paced tale of everyday, amoral folk and the delicious cocktails they drink! Pressestimmen "Fans of bolder romances will relish the potent combination of heady sexuality and intriguing characterization." (Publishers Weekly) "Emma Holly's gift for sensual detail is absolutely stunning" (Susan Sizemore Award winning author of The Price of Innocence and I Burn For You.) "Not only are you going to need asbestos gloves - you're gonna need a whole asbestos SUIT!!!" (RBL Romantica) Werbetext Black Lace - the leading erotic imprint for women
