Von Jude Deveraux : Velvet Song (The Velvet Montgomery Annals Quadrilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Velvet Song (The Velvet Montgomery Annals Quadrilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Rather disappointing book I would say...Von FaniIt was not that bad, but I have read 2 or 3 books of Jude Deveraux and loved them so I expected this to be a very good book too. Unfortunately, it was just an average book, good to read and pass your free time, but nothing to remember about it after it's finished. Alyx's transformation to a boy, ends very early and the only thing that keeps the story going after that, is Raine's jealousy (a very common theme). I loved the Taming and the Knight in Shining Armor, and this book had nothing to do with them. I would suggest readers to try other books of Jude Deveraux and forget this one....0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy read.....Von AbbysI read all Velvet series... my favorite of all is the first book, Velvet Promise. In that book, it described Raine as a strong yet sensitive man. He was practically Judith's (the heroine in Velvet Promise) champion. He speaks for Judith when needed to and defended her at all times. He was also a man of honor and of practical thinking. He was sweet and charming too. I really liked Raine very much in the first book. So naturally, in this book, I also expected him to be the same. However, the Raine in Velvet Song became engrossed with revenge and too much pride. Though, it was emphasized that he became a changed, "different" man after the awful incident of her sister's kidnapping, rape and death. I still prefer him to be level headed as described in the first book. Truthfully, One of the reasons why I finished this book was to read more of Judith and Gavin. I like to read updates about them with their baby. Also, I was sorta obligated to read it as it is part of the series. I must say though that the story is quite interesting as soon as you get the hang of it. It is an easy read but it didn't really bring different emotions out for me to enjoy it thoroughly (compared to Velvet Promise). Perhaps I should read it again to get more positive feedback out of it. Perhaps...0 von 0 Kunden fanden die folgende Rezension hilfreich. alyx is too weak-spirited, not the right image for a heroineVon Ein Kundejudes deveraux is one of my favorite author but this book doesn't equal the rest of her works. i find that alyx doesn't have a strong sense of dignity. there was this scene in the forest when raine got really angry w/ alyx so he spanked her. after that, he didn't even sooth her tears but juz pushed her off his laps and said, and this is quoted, "When you're through sulking, come back to the tent and i'll make love to you so passionately you'll forget who you are." and alyx was so ready to forgive him and happily followed after him! i mean doesn't she have any pride??? he didn't even say he's sorry! i mean she's juz forgive him cauze he said the magic word, "sex"! and raine always mad at her because he doesn't wait for an explanation of why she did all these things to help him! whenever he's mad, he just packed up and go and left his wife and daughter just like that!

KurzbeschreibungThey were both outcasts by a harsh decree -- and on the brink of a shared destiny of passion! With her father murdered, her home burned, lovely Alyx Blackelt fled to the woods -- and sanctuary in the camp of Raine Montgomery, a nobleman outlawed by the king's edict. There she hid her beauty in the guise of a boy, and her sorrow in her work as Montgomery's squire. But how long could such loveliness as hers be hidden? How long could such a gallant man's desires be blind? And how soon -- even as a blood feud raged between the Montgomerys and the Chatworths, as angry swords clattered in the name of family honor -- one woman's love would make all the difference...one woman's love would inflame a hero's passion, touch a king's pity, and raise a song of praise in every English heart.KurzbeschreibungThey were both outcasts by a harsh decree -- and on the brink of a shared destiny of passion!
