Feather's best! Von Ein Kunde This is my favorite Jane Feather book. A very liberated heroine, mature and experienced, is a nice change from the usual innocent virgin found in so many other romance novels, even Ms. Feather's. Enjoy! 10 von 0 Kunden fanden die folgende Rezension hilfreich. Velvet Von Amanda A. Brooks The actress I have in mind for the part of Gabrielle is Kate Winslet. What I like about Gabrielle is that she's strong, passionate, adventurous, and very caring. What I don't like about Gabrielle is that she accused Nathaniel of murdering her lover without knowing the truth. My favorite part was when she warned Nathaniel about Talleyrand's letter, despite being pregnant, and then they had to fight those after them aboard the ship along the French coast. This begins on page 411. 10 von 0 Kunden fanden die folgende Rezension hilfreich. The most mature and exciting of Ms. Feather's novels Von Krystle Chow Jane Feather is one of my favourite authors and this was by far her best novel, unparalleled even in comparison to her other novels. I loved Gabrielle de Beaucaire, who was the most inspiring and liberated heroine of all Ms. Feather's books. I found Nathaniel Praed a little stuffy, but the romance between them was sizzling and the adventure was heartstopping! Definitely a novel I will treasure always.

Kurzbeschreibung Clad in black velvet and posing as a widowed French comtesse, Gabrielle de Beaucaire had returned to England for one purpose only - to ruin the man responsible for her young lover's death. But convincing the forbidding Nathaniel Praed, England's greatest spy master, that she would make the perfect agent for his secret service would not be easy. And even after Gabrielle had lured the devastatingly attractive lord to her bed, she would have to contend with his distrust - and with the unexpected hunger that his merest touch aroused. From the moment he met her, Nathaniel Praed knew that the alluring Gabrielle de Beaucaire spelled trouble. But though he fought her outrageously bold advances, he could not stem the turbulent hunger that swept through him when the tall, titian-haired vixen pressed her lips to his. Now, against his better judgement, she is in his employ. And as Europe trembles at a tyrant's war and sinister minds plot against them, Nathaniel and Gabrielle find themselves at the mercy of an exquisite passion and a love that could save - or destroy - both their lives.
