Well done again, to Kelly :)Von DemeKelly Carrero did an amazing job finishing this story.She kept her readers up to date on her facebook page, and answers everyone.Which made it even more exciting since she let us read the first chapter even before she was finished :)Needless to say, i enjoyed meeting Aiden and Jade again, and she made sure she did not

forgetto tie up any loose ends. Something that some other authors lack. Worth to re-read again, and maybe...again :)

KurzbeschreibungLife doesnt always work out the way you want. People deceive you and take things from you. But when someone takes the one thing most precious to you, how do you ever get past it?The last few months have been a build-up to the moment when Jade will face off with her tormentor. Life will never be the same, and Jade knows it. Can she work out a way to get it all back, or will she be damned to live an eternity where trust will always elude her?KurzbeschreibungLife doesnt always work out the way you want.
