Von J. D. Robb : Vengeance in Death (In Death, Book 6) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vengeance in Death (In Death, Book 6):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. The best of the series so far, outstanding!Von CustomerRobb outdoes herself in "Vengeance in Death." Some previous

installments in the series had become weak in plot and entertainment. This novel is just great. With each of the novels in the series, Robb delves into a different supporting character - fleshing out Mavis and Peapody in past novels, for example. Summerset gets his turn in this one. In a truly entertaining plot, Summerset is framed and Dallas is forced to take her investigation underground or risk making Roarke himself the prime suspect. The villain is targeting Roarke, and is taking out everyone who helped Roarke avenge the death of Summerset's daughter 15 years ago. And we get the added entertainment of Dallas defending Summerset - Robb adds to the previous background behind Summerset's disdain for Dallas. Unlike past novels in this series, Robb makes it very hard to figure out who the villain is and yet when we do, it's very logical. The love affair between Dallas and Roarke is finely shaped, some good sparring and making up, excellent intensity. We continue to have witty exchanges between Peabody and Dallas, and meet McNab, who will be developed in a later novel. A great read!

Von Ein Kunde
Homicide detective Eve Dallas knew when she married her powerful billionaire husband Roarke, that there were events in his past she would rather not know about, especially his criminal activities. These acts conflict with Eve's code of ethics as an honest homicide detective. When a series of vicious murders involving torture and mutilation, occur, Eve realizes that all the victims assisted Roarke on his personal quest for vengeance. Eve faces the biggest crisis of her career and her marriage as she is confronted with choosing between love or honor.

VENGEANCE IN DEATH is the kind of novel that readers expect from the very talented J.D. Robb. The pace is fast, the action is explosive, and the relationship between the hero and heroine fresh, red hot, and poignant. This book is a keeper to treasure during times of stress.

Von Ein Kunde
This 6th. book of the series deals with Roarke's past, that we so far had only glimpses of. Including the why how of Summerset's importance to Roarke. Vengeance has come to call, Eve must protect this man she loves from an evil seeded in his past. She struggles to protect the targets of this cryptic killer, as each one down is a step closer to Roarke's death. The love between Eve Roarke is blooming taking on a full quality, that us pitiful beings can envy. Fast, Furious action, witty, gritty dialogue. Loved every page turning minute of it.

Kurzbeschreibung
In this In Death novel from #1 New York Times bestselling author J. D. Robb, Lieutenant Eve Dallas learns that when technology links the law and the lawless, predators and prey can become one and the same. He is an expert with the latest technology...a madman with the mind of a genius and the heart of a killer. He quietly stalks his prey. Then he haunts the police with cryptic riddles about the crimes he is about to commit - always solved moments too late to save his victims' lives. Police lieutenant Eve Dallas found the first victim butchered in his own home. The second lost his life in a vacant luxury apartment. The two men had little in common. Both suffered unspeakable torture before their deaths. And both had ties to an ugly secret of ten years past - a secret shared by none other than Eve's new husband, Roarke.

From the Paperback edition.
Pressestimmen
This knockout firecracker of a mystery succeeds on a multiplicity of levels: taut pacing, nifty plotting, superb relational development and a subtle yet revealing peek inside the soul of a man who surely counts as one of popular fiction's most fascinating enigmas.
RT Book s
A perfect balance of suspense, futuristic police procedure and steamy romance...truly fine entertainment.
