I like the person Tina Folsom before but I haven` t read any of her books until now.Now I did - and I love it! Her writing style, the story, the stunning love scenes - everything!There was just one little thing I missed - a bit more about the vampires and the "vampire bites". I think that belongs to a erotic vampire book because that is a very sensual act for all vampire romance lovers. But

maybe I can have more of that in the second book I just bought? I can't wait to read it! Raphael and Isabella are a great couple, I liked from the beginning. And as I visited Venice many years ago (gorgeous place!) it was nice "to see the places" again. In my mind. I was allowed to travel again. Thanks for that, dear Tina! I was lucky to get the book for free - very clever promotion I think! As an author that is very interesting to me. :) I don't want to tell you anything about the plot. If you very hot vampire stories you will love it, promise! Go and get it! I made my mind up to start reading all of Tina's vampire stories now. Her stories seems to be as great as SHE is. And to be honest - I didn't expect anything less. I am looking forward to the second book, Venice Vampyr-Final Affair. Dante's story. I liked him in the first book - now I get the chance to experience him much more. I'll start reading today! Thanks Tina - I am sure I will enjoy all of your books! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Sexy romance Von Customer The story is interesting and easy to read. Its very sexy and romantical but some more informations of vampire life would be helpful. Maybe part two is giving more information.

Kurzbeschreibung NEW YORK TIMES USA TODAY Bestselling Author Tina Folsom presents: Venice Vampyr #1 Venice, early 1800s Isabella Tenderini, a wealthy merchant's widow rescues a stranger from drowning in one of Venice's canals. And how does the man repay her selfless act? By kissing her - her, a respectable woman. Not only is Raphael di Santori grateful for his life being saved, he would also like to thank his rescuer very intimately - more intimately than decorum allows. But then, Raphael has never been one to play by the rules - as a vampire he doesn't have to.
