Von Celia Kennedy : Venus Rising (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Venus Rising (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. LOVED THE CHARACTERS AND THE STORYVon Sahara Foley1) Book cover/title - This is a very beautiful cover. Ive had my eye on this book, and the cover is what made me interested in reading it. The picture and title are appropriate to the story. 5 feathers2) Characters - The characters are extremely well-developed. Akshaya and Jared are not one-

dimensional paper cutouts. Celia does a fabulous job at keeping the dialogues fresh and fun and I loved the flirty banter between them. Both characters are believable and I felt their pain and their joy. Even the secondary characters, like Tim Owens, Jared's friend, and Akshaya's family members, were exactly who they were meant to be. 5 feathers

3) Plot/storyline - As this is a romance story, we all know how it's going to end. After all, 99% of them are HEA. But, it's the journey getting there, which counts. And the journey we do. I thought at times the story line went longer than it should have, but both characters had to find and face themselves. In Akshaya's case, it was all the way back to India. I really enjoyed the different cultures that Celia brought into the book. I love learning new things. There's plenty of drama and emotions, so you'll have some teary moments. There is definitely a progression in Akshaya and Jared's personalities. Both had scars, whether physical or mental, but I felt Akshaya did the most growing, as she had to learn to overcome both. 5 feathers

4) Editing/formatting - Unfortunately, this was an issue. There were no chapters, so if I wanted to go back to a specific place, I couldn't. The formatting was terrible, at least on my Kindle. There were no paragraph indents, most of the time double spaces separated them. But sometimes, those double spaces became single, and when there was conversation, it made it confusing to know who was actually doing the talking. I had to go back several times and reread part of a page just to find out. There were also some proofreading problems, but those didn't detract from my enjoyment. 3 feathers

A very enjoyable story, and I highly recommend it. My rankings come to 4.5, which I'll round up to 5 feathers.

Kurzbeschreibung Between Boston and Bangalore, blossoming love reveals long-buried truth. When Dr. Jared Harrison, an extremely handsome, world-renowned Middle East journalist, accepts a teaching position at an elite Massachusetts college, he wonders if he can settle down and rebuild his family after all the horrors he has seen. When he meets the dazzling, brilliant art history professor Akshaya Bertrand, an exotic and highly private beauty, the challenge seems worth undertaking. While many have tried and failed to capture Akshaya's attention, Jared is determined to slip past her armor and into her life. When Jared finds himself once again traumatized by the tragedies imprinted on his psyche, an exciting joint book project he has landed for him and Akshaya is put in jeopardy. Can he release his demons and help her release her own, so they can take advantage of the unique opportunity to travel through India for research, combining Akshaya's passion for art with Jared's war correspondent resources in order to, together, create a dynamic, loving future?

ber den Autor und weitere Mitwirkende CELIA KENNEDY was born on a military base in Wurzburg, Germany. Her parents' penchant for traveling stuck with her: she's lived in and traveled through several countries. The imagined world has always fascinated Celia. She has studied art history, interior design, landscape architecture, and architecture. Her thirteen-year career at the University of Washington in Seattle ended in 1996. Not wanting to be homeless, she left the academic world and worked as a landscape architect, married the love of her life, became a mom, and served as PTA president and Girl Scout leader. Her love of travel, the designed and natural world, friendship, self-discovery, wine, chocolate, AND love are the foundation of her books. Other Books by Celia Kennedy: Prosecco Paparazzi, The Passport Series, Book One Cognac Couture, The Passport Series, Book Two Venus Rising Coming in 2017: What We Remember Gin Fizz Grit, Book Three, The Passport Series
