Von Molly Tanzer : Vermilion: The Adventures of Lou Merriwether, Psychopomp (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vermilion: The Adventures of Lou Merriwether, Psychopomp (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Weird and wonderfulVon Heather SaurIf you like alternative histories this is a fun one. If you like the intersections of gender

and race and how it all relates to identity and self-acceptance, this is also good. It's weird in the best possible ways, and I look forward to seeing more from the world that Tanzer has created.

Kurzbeschreibung
Gunslinging, chain smoking, Stetson-wearing Taoist psychopomp, Elouise "Lou" Merriwether might not be a normal 19-year-old, but she's too busy keeping San Francisco safe from ghosts, shades, and geung si to care much about that. It's an important job, though most folks consider it downright spooky. Some have even accused Lou of being more comfortable with the dead than the living, and, well... they're not wrong. When Lou hears that a bunch of Chinatown boys have gone missing somewhere deep in the Colorado Rockies she decides to saddle up and head into the wilderness to investigate. Lou fears her particular talents make her better suited to help placate their spirits than ensure they get home alive, but it's the right thing to do, and she's the only one willing to do it. On the road to a mysterious sanatorium known as Fountain of Youth, Lou will encounter bears, desperate men, a very undead villain, and even stranger challenges. Lou will need every one of her talents and a whole lot of luck to make it home alive... From British Fantasy Award nominee Molly Tanzer comes debut novel Vermilion, a spirited weird Western adventure that puts the punk back into steampunk.
