Von Baird Wells : Vermillion (The Hundred Days Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vermillion (The Hundred Days Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Schne Geschichte aber nicht wirklich historischVon indriEine schn geschriebene Geschichte in glaubhafter Atmosphre. Der Hauptaspekt ist die Beziehung zwischen General und Krankenschwester rztin.Ich htte mit ein paar erluternde Worte darber gewnscht, was an der Geschichte historisch ist (z.B. Szenen der Schlacht) and was nicht: die Hauptperson.Kleine Kritikpunkte: Persnlich waren mir die Bettszenen ein wenig zu ausfhrlich; bei Formatierung (Einrckungen) und Korrektorat knnte noch etwas nachgebessert werden, speziell bei den franzsischen Ausdrcken

("arme" und "garde" sind weiblich - "Le grand armee" tut weh).

KurzbeschreibungFor three years, American doctor Kate Foster has been entrenched among a British regiment, treating wounds and happily ignoring laws forbidding the practice of medicine by women. The sudden illness of her sponsor, the regiment's doctor, threatens her position and Kate finds herself at the mercy of an unscrupulous physician's aide. Newly arrived General Matthew Webb might be her only hope for reprieve, but he has no time for Kate's interruptions. Napoleon is on the horizon, and his neglected regiment should consume his every waking moment. Kate's stubborn streak threatens his orderly existence and he is hard pressed to ignore the distraction. Forming an uneasy alliance that blossoms on and off the field, the pair find themselves with a very different sort of fight on their hands. A dark turn within the camp and a shadow of impending battle conspire to throw Matthew and Kate to the mercy of a consuming attraction.

ber den Autor und weitere MitwirkendeBaird Wells enjoys writing romance, historical and speculative fiction. Her first novel, Vermillion, is built on a life-long passion for all things historical and romantic. Baird grew up in Langley, Virginia and makes her home in the Pacific Northwest. Look for her second book in the Hundred Days series, Viridian, due out Fall 2015.
