It is well written and the main characters are very remarkable. I love Nora, Leo and Sebastian and the other secondary characters. Ilsa Madden-Mills quickly

became one of my go to authors. Her books are so packed with emotions. I laughed and I also cried while reading this book. Nora is in her last year of high school and she appears to be the perfect girl. She is thin, tall, has a high IQ and plays the piano. She has also won spelling bees and has a little OCD. Her mother tries to push her to perfection, but there is just so much one can take before the person breaks. Nora has a very bad secret too and she feels so lonely. She is partying and drinking and making a list of bad things she wants to do. Leo Tate and his younger brother Sebastian relocated and are new in town. Since their parents were killed Leo became Sebastian's guardian. Leo is hot, sexy and sweet. The connection between Nora and Leo from the first moment they laid eyes on each other is over the top. Leo is determined to fix her, but he is also quite damaged and he doesn't do relationships. Sebastian and Nora became friends too and I loved the banter between her, Leo and Sebastian. It was so heartwarming and funny. Considering that this was a debut book it is over the top. I really loved it 4.4 stars. I would probably have given it more stars if I hadn't read it immediately after *Filthy English*. I highly recommend *Very Bad Things* to everyone! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Hrbuch plus eBook super zum ENGLISCH LERNEN Von Flowers Buch, aber besonders das Hrbuch gesprochen von einer Sprecherin und einem Sprecher haben mir sehr gut gefallen. In deutscher Sprache lese ich eigentlich keine Liebesromane. Aber Super zum ENGLISCH LERNEN und es war auch nicht langweilig zum Lesen und Lernen! Dank eines Tipps aus einer Bewertung, bezogen auf die Verbesserung des englischen Sprach/Lese Verständnisses. Kann ich nur empfehlen! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Many tears until this happy end Von Greta I love the characters in this book. And I am looking forward to read the next story about BA. Nora's past is a cruel one but it is very nice to read this hopegiving tale about better future.

**Kurzbeschreibung#1 Book in New Adult and College Age Romance!** Read what bloggers are calling one of the best debuts of the year! What happens when the perfect girl goes bad? Nora Blakely has everything any nineteen-year-old girl could desire. She's an accomplished pianist, a Texas beauty queen, and on her way to Princeton. Until she cracks wide open. Leaving behind her million-dollar mansion and Jimmy Choos, she becomes a girl hell-bent on pushing the limits with alcohol, drugs, and meaningless sex. Then she meets her soulmate Leo. But he doesn't want her. Twenty-five-year-old Leo Tate has one rule: never fall in love. His gym and his brother are all he cares about...until Nora shows up. He resists the pull of their attraction, hung up on their six year age difference. As they struggle to stay away from each other, secrets will be revealed, tempers will flare, and hearts will be broken. Welcome to Briarwood Academy where sometimes, the best things in life are *Very Bad Things*. \*Authors note: Each book in the series is written as a stand-alone love story following a new couple, but you'll enjoy reading the other titles and seeing familiar faces return. 1: *VERY BAD THINGS* (Nora and Leo) 2: *VERY WICKED BEGINNINGS* (Dovey and Cuba--prequel novella) 3: *VERY WICKED THINGS* (Dovey and Cuba) 4. *VERY TWISTED THINGS* (Violet and

Sebastian) ber den Autor und weitere Mitwirkende New York Times and USA Today best selling author Ilsa Madden-Mills writes about strong heroines and sexy alpha males that sometimes you just want to slap. She's addicted to dystopian books and all things fantasy, including unicorns and sword-wielding females. Other fascinations include frothy coffee beverages, dark chocolate, Instagram, Ian Somerhalder (seriously hot), astronomy (she's a Gemini), and tattoos. She has a degree in English and a Master's in Education. When she's not pecking away on her computer, she shops for cool magnets, paints old furniture, and eats her weight in sushi.
