Von Connie Mason : Viking! (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Viking! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Disappointing ReadVon Ein KundeThe hero and heroine have to be the slowest learners in the universe! Over and over they reject what they know and listen to people that have been proven evil--Would you believe someone who tried to kill you when she says she's looking out for your own good? A few of today's colloquialisms slipped into this medieval novel--Off Limits, for example. The situations become so contrived and far-fetched that it was ludicrous.

The heroine has leverage to save one girl but not herself and another when all 3 find themselves in the same predicament? Disappointing.0 von 0 Kunden fanden die folgende Rezension hilfreich. Imaginative, historicalVon Ein KundeI could not put this book down. Although, I thought in a few spots it was unbelievable about the evil going on around the hero, I believed I was in the book. It was very realistic about the time period and I really enjoyed the book. I can't wait to read another Connie Mason book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it!Von Ein Kunde***there was no end to action, confusion, war, battles, and sorcery in this story! Connie Mason is what my mother and I call "A Book Writing Woman!" ***
