Von Sandra Hill : Viking in Love before purchasing it in order to gage whether or not it would be worth my time, and all praised Viking in Love:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Boring and repetitiveVon Helen HancoxI think I'm being quite kind to 'Viking in Love' by giving it two stars when I wasn't

actually able to finish it. It was a disappointing read in that when it started out I thought there was some potential; an unhappily-married woman kills her abusive husband and her four sisters help her to cover it up, finding themselves being hunted down as possibly to blame for the mysterious disappearance of the husband. The sisters go to a distant kinsman, Caedmon, to try to get him to help them. He isn't keen and so has to be 'persuaded' by sister Breanne. This persuasion involves her eventually seducing him, and then the book went on and on about her 'large nipples' (about which I was distinctly bored within a couple of pages). The other sisters variously disappear and we just read of Breanne and Caedmon in bed, knowing that the authorities are looking for the Viking sisters and Caedmon doesn't seem to want to agree to help them or not. At this point I got too fed up and gave up with the book (probably about three quarters of the way through). I haven't read many books set in the dark ages so there were some interesting aspects to the story. The mixing of the Vikings and Saxons in the East of England (where I live) was interesting, as were the ways in which the two lands traded and intermarried. Unfortunately the story was light on character - neither Caedmon nor Breanne felt convincing - and it didn't hold my interest enough for me to want to finish it. Maybe not your usual Love Story Von Bern_Lieb I have to defend this book. It may not be the greatest book ever written, but it does have some funny moments, and by depicting unusual situations, and with its lighthearted approach it made an enjoyable read. Okay, there are some things in the book which are not politically correct nowadays, but for me that just added to the charm of it. If you like it a bit rowdy, that might help. Maybe not very sophisticated, but if I want that I can always read Georgette Heyer or some other Regency Romance. For a Viking novel I thought it was done quite well, with hardly any gore, and again, some rather funny moments.

Kurzbeschreibung Her books are always fresh, romantic, inventive, hilarious. New York Times bestselling author Susan Wiggs New York Times and USA Today bestseller Sandra Hill brings her unique blend of passion, invention, and unparalleled wit to Avon Books and in *Viking in Love* she delivers her most alpha of alpha heroes to date. *Viking in Love* is Hill at her hottest, wildest, funniest, best gem of historical romance that showcases the magnificent talents that have compelled Booklist to praise her wickedly wonderful stories to the skies, while prompting New York Times bestseller Christina Skye to rave about Hills wildly inventive and laugh-out-loud fabulous novels. **Pressestimmen** Earthy, laugh-out-loud hilarious, and lusty, this tenth-century revel takes readers back to a much less-refined time and is just plain fun. Hills (*Viking Heat*) Viking series are legendary; her fans are sure to enjoy this latest addition. (*Library Journal*) Sandra Hill writes stories that tickle the funnybone and touch the heart. Her books are always fresh, romantic, inventive and hilarious. (New York Times bestselling author Susan Wiggs) Sandra Hill always delivers. Smart, sexy, laugh-out-loud action. (Christine Feehan, New York Times bestselling author on *Wild Jinx*)...wildly inventive and laugh-out-loud fabulous. Once again the talented Sandra Hill proves that a real hero isn't stopped by any obstacle -- not even time. *Viking Navy SEALs?* Time travel will never be the same! (New York Times bestselling author Christina Skye) With her clever dialogue, often bawdy situations, and great cast of characters, including a warrior woman, a proverb-spouting wise man/healer from the East, and a saucy cook, Hill has created another wickedly wonderful story. (*Booklist* (starred review)) **Kurzbeschreibung** Her books are always fresh, romantic, inventive, hilarious.
