last, heroines with wrinkles! Von Chris What a fun read! I really enjoyed this easy, light-hearted book. At last the heroes are not only young, sporty and perfect, but more realistic. Not that I have ever met anyone like it in my life, nonetheless, it was fun finding out what would happen next. The perfect book to take with me on my daily trip on the train to work. Nothing where you have to be totally concentrated, but also not a total waste of time. Just worth the buy.

Kurzbeschreibung Vintage Babes delves into the sometimes scary, sometimes comic, business of being female of a certain age! Divorced, fifty-plus and a reporter on a small-town newspaper, Carol has just one grumble the way friends and family will try to fix her up with a Mr Wonderful. No thanks! She's perfectly content on her own. Then life shifts into the kick-ass mode. Steve, a tyrannical new editor, arrives: her elderly father morphs into a babe magnet: her daughter and granddaughter land on her doorstep, and black hairs sprout from Carol's chin. Jenny, Carol's meek plump housewife friend, is eager to find herself a job, but her husband disapproves. Tina, a glamorous recently-widowed gold-digger, has one major problem she hates getting older. When the three women workout together with Max, an exotic personal trainer, all their lives are changed.
