Von Leigh Greenwood : Violet (Seven Brides Book 6) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Violet (Seven Brides Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. favorite brotherVon SandyWhen I first started reading the seven brides series Jeff was my least favorite of the seven. But the tranformantion into someone who can love from someone who didn't feel he deserved to be loved was wonderfully touching. I enjoyed the way Violet taught us that often times it not what is on the outside or even what someone may want to pretend to be that makes a person but what they really are but what's inside that makes the person. I loved

watching Jeff fall but I was glad Violet was there to catch him.1 von 1 Kunden fanden die folgende Rezension hilfreich. the seven brides (VIOLET)Von Ein KundeVIOLET WAS GREAT.... I HOPE THAT EVERYONE WHO SEE'S THIS WILL GO AND GET HER.. I LOVED ALL THE BOOKS IN THE (SEVEN BRIDES) VIOLET, WELL SHE SHOWED YOU HOW TO LOOK PAST THE OUT SIDE OF A PERSON AND REALLY LOOK ON THE IN SIDE... SHE GAVE OF HER SELF WITH OUT ASKING ANYTHING IN RETUREN... I WICH I COULD BE MORE LIKE HER.. SHERRY1 von 1 Kunden fanden die folgende Rezension hilfreich. The Best - So Far!Von R. PalmerI have just finished reading VIOLET. Its a great novel, especially when read following the earlier BRIDES books. The premise is unique which adds to the enjoyment of the story line. I am now starting LILY and on completion of LILY will miss the Randolph family enormously.

KurzbeschreibungJefferson Randolph is angry at the world for the arm he lost in the War Between the States and the destruction of his family. Embittered and reclusive, he's certain he'll never be happy until he marries a true Southern belle and rebuilds his family home. The last person he expects to stand in his way is a fiery redhead from Massachusetts who is the housemother for his two mischievous nieces, the stereotype of everything he detests in a woman. She's a Yankee who refuses to defer automatically to men, she has opinions she holds to firmly and states loudly, she wears strong bright colors, and she is determined to be independent. He's furious that, even after the quarantine is over, he can't stop thinking about her. Violet Goodwin has come west to discover what happened to her uncle and why the mine he left her is worthless. To support herself, she's taken a job as housemother in an exclusive girl's school. After Jeff Randolph is quarantined in the school with her and her sixteen young charges for five days, she wonders how she can be attracted to a man she dislikes so much. He appears to be self-pitying, angry, and emotionally distant. She can't understand why she could fantasize about him though she can't deny the man's physique is impressive. She hardly notices his missing arm, but she is stingingly aware of his ridiculous ideas about women. She's determined to prove that you don't have to be a young, mindless, southern belle to make a good wife."Leigh Greenwood is one of the marvels of the modern world. Very few authors can write a seven book saga in which each tale is better than the pervious one, but every one is ultra-excellent. VIOLET is the most heartwarming and emotionally enriching as the audience witnesses the hero's struggles." Harriet Klausner, *Affaire de Coeur*KurzbeschreibungJefferson Randolph is angry at the world for the arm he lost in the War Between the States and the destruction of his family. Embittered and reclusive, he's certain he'll never be happy until he marries a true Southern belle and rebuilds his family home.
