It was something different.I loved how you get to know the characters from childhood til adulthood.You really, and I mean REALLY, get to know Sebastian and Ysabelle.You have to be patient because it's a long journey til the characters meet each other but I loved every second of it.In my opinion there wasn't

one scene that was unnecessary. It was never boring and you have to go through this journey to totally understand the character's feelings and actions.

Kurzbeschreibung From USA Today Bestselling Author M. Robinson Ysabelle They say in order to find yourself you have to go home, but what if home is what you're escaping from. I went to Miami to discover myself; never in my wildest dreams, did I think home would become a three-letter word. VIP. I was the dream. I was the illusion. I was the fantasy. Until him Everything went to hell in hand basket the moment we laid eyes on each other. I wanted him. He wanted me. Sebastian I have always been a man who made decisions based on other people's feelings, wants, and desires. I was selfless. I never wanted to hurt anyone. Especially her. The moment I met her I wanted her. I loved her. For the woman she was. For the woman she wanted to be. But most of all For the woman she was, when she was with me. This isn't a love story, but a story about love. Kurzbeschreibung From USA Today Bestselling Author M.
