Sehr fantasymige SM-StoryVon Bianca FlierIch habe schon einiges von Allyson Young gelesen, was mir ganz gut gefallen hat.Mit dieser Geschichte betritt die Autorin allerdings den Fantasy-Bereich, wo ihre Protagonistin gleich drei dominanten mnnlichen Wesen ausgesetzt ist. Das wre an sich ein ganz netter Plot. Aber nun tritt geheinnisvollerweise

ein merkwürdige alte Propheie in Kraft, die nicht nachvollziehbar ist. Sie dient wohl hauptsächlich als Rechtfertigung dafür, dass der zunächst freiwillige Aufenthalt der Frau auf dem Planeten der drei Männer zwangsweise verlängert wird. Auch sind die Sexszenen zu dritt nicht so ganz mein Ding. Und die nervtötende Butt-Plug-Obsession auch nicht. Darum diesmal nur drei Sterne.

Kurzbeschreibung Wagered and lost by her wastrel brother, Adara Waycross learns she must serve three farmers for thirty days. If she refuses, the family estate is forfeit and her brother will go to prison on planet Virile, a harsh, ungoverned planet where women are scarce. Doms Thorn, Orion, and Kellis Freestar saw Adaras image and fell for her instantly. They will stop at nothing to have her forever. Expecting a gentle, compliant creature, they only worry about her inability to handle their sexual demands. Unbeknownst to them, Adaras a redhead. Freestar prophecy states a strong-willed, redheaded woman will complete three brothers, her surrender bringing incredible fortune. With this revelation, a month seems insufficient to tame Adara and elicit her surrender. The prophecy forbids them from telling Adara the truth, so the Freestar brothers are driven to push boundaries. And sometimes they step over the line
