berschnitten sich zu viele Handlungsstränge zu oft. auf jeden Fall ist die D.I.E. Squadron eine neue Serie die ich gerne weiter lesen möchte. Ich hoffe ein neues Buch der Reihe ist bald zu bekommen.

Kurzbeschreibung A beacon of light... Undercover DEA agent Alex Brennan doesn't believe in the paranormal, despite the exhausting nightmares that reveal things he shouldn't know. When sleep deprivation causes him to make a horrible mistake on the job, he is driven to find answers. Dreams guide him to a lighthouse in Three Churches, Maine, where he finds an inexplicable and comforting familiarity in the arms of the lighthouse's beautiful keeper, Pru Maddox. A whisper of memory
Deadly misfortune has long plagued Pru's family, the result of a curse The Green Lady placed on the lighthouse. Skeptical, Alex searches for less ghostly explanations, though he can't deny that the town has had more than its fair share of disappearances, suicides, and accidents. As their passion simmers, Alex digs deeper, and his dreams turn violent, frightening, and very real. A vision of darkness... To keep Pru safe, Alex must embrace his abilities and unravel the lighthouse's mystery. Except someone or something wants the past to stay buried... and will do anything to keep it that way.
