have found it!

Kurzbeschreibung Paige Burton meets the love of her sexual life at a masked sex party when she's too young to realize how special their connection is. After years of searching for similar sexual bliss, she has officially given up. Now she pours out her frustration via her online blog and by dancing away her frustrations in her club. Billionaire architect Mayson Montgomery made her fortune building eco-friendly offshore wind turbines. She learned quickly that money stood in the way of finding a happy ever after. But she still remembers her masked angel years ago. When they meet again, Paige doesn't make the connection between her masked lover from the past and Galveston's raunchy rich heart throb. Fortunately, Mayson is a little more aware and won't give up until Paige has fallen head over heels for her. Will Paige and Mayson grasp the love in front of them or will they let it slip away a second time?

ber den Autor und weitere Mitwirkende Larkin Rose lives in a blink and you've missed it town in the beautiful state of South Carolina with her partner, Rose (hence the pen name), a portion of their 7 brats, a chunky grandson, and too many animals to name. Her writing career began two years ago when the voices in her head wouldn't stop their constant chatter. After ruling out multiple personalities, and hitting the keyboard, a writer was born. Larkin has selections in Ultimate Lesbian Erotica 2008 (w/a Sheri Livingston) and Wetter 2008 (as Larkin Rose).
