Von Lena Novosel Janet Evanovich hat mit ihrem Kurz-Roman Visions of Sugar Plums mal wieder einen Knaller gelandet! Auf fast jeder Seite kann man sich den Zorn seiner Mitmenschen auf sich ziehen da man aus dem schallenden Gelächter einfach nicht mehr rauskommt! Sei es Diesel der Stephanie auf Schritt und Tritt verfolgt und ständig Witze über sie reißt, Stephanies Vater der wie jedes Jahr einen Baum gekauft hat der anscheinend neben einem Atomkraftwerk gewachsen ist, Valerie die vollkommen durchdreht und sich im Badezimmer einschließt oder Steph die sich mit ein paar Zwergen anlegt und anschließend reiraus nehmen muss weil sie mal wieder mit Essen beworfen wird! Aber der absolute Höhepunkt ist wie schon in Hard Eight der schrullige Anwalt Kloughn der alles verbockt! Also meiner Meinung nach ist Visions of Sugar Plums vollkommen wert einen Blick zu werfen obwohl die Ranger-Babes oder Team Morelli etwas zu kurz kommen da die beiden entweder nur erwähnt werden oder nur sehr kurze Auftritte haben! Schade eigentlich! Aber das Buch verdient trotzdem die volle Sternenzahl! 11 von 11 Kunden fanden die folgende Rezension hilfreich. Christmas -- in true Stephanie Plum style Von MissGoWest New Jersey-based bounty hunter Stephanie Plum's life would be complicated enough as it is -- Christmas is around the corner and she hasn't even started to prepare for the holidays, an old toy maker named Sandy Claws failed to appear for his court appearance, so she has to find him, two attractive men -- the extraordinary headhunter Ranger and Trenton cop Joe Morelli -- have a soft spot for her, and her Grandma Mazur has a new stud muffin. Yet that isn't all -- Stephanie suddenly faces a sexy-looking and wonderfully-smelling man named Diesel in her kitchen who appeared out of nowhere but claims to be "sort of real." With that the plot is ready for the wildest Stephanie Plum adventure ever, complete with angry elves, combat mall shopping, and a supersociety. Janet Evanovich's "Visions Of Sugar Plums" is a holiday treat for every Stephanie Plum fan, even though the book has only 149 pages. Readers not familiar with Stephanie's special lifestyle should think of reading the first novel in the series -- "One For The Money" -- before picking up "Visions of Sugar Plums." That way the "Plum experience" will be more fulfilling -- and surely it will be "merry and bright" for everyone. 10 von 11 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung It's five days before Christmas and things are not looking merry for Fugitive Apprehension Agent Stephanie Plum. She hasn't got a tree. She hasn't bought any presents. The malls are jam-packed with staggering shoppers. There's not a twinkle light anywhere to be seen in her apartment. And there's a strange man in her kitchen. Sure, this has happened to Stephanie Plum before. Strangers, weirdos, felons, creeps, and lunatics are always finding their way to her front door. But this guy is different. This guy is mysterious, sexy-and he has his own agenda. His name is Diesel and he is a man on a mission. And Diesel is unlike anyone Stephanie has ever met before in her life. The question is, what does he want with her? Can he help her find a little old toy maker who has skipped out on his bail right before Christmas? Can he survive the Plum family holiday dinner? Can he get Stephanie a tree that doesn't look like it was grown next to a nuclear power plant? These questions and more are keeping Stephanie awake at night. Not to mention the fact that she needs to find a bunch of nasty elves, her sister Valerie has a Christmas "surprise" for the Plums, her niece Mary Alice doesn't believe in Santa anymore, and Grandma Mazur has a new stud muffin. So bring out the plastic reindeer, strap on your jingle bells, and get ready to celebrate the holidays-Jersey style. In Janet Evanovich's Visions of Sugar Plums, the world of Plum has never been merrier!. de Christmas in bounty hunter Stephanie Plum's world isn't quite like Christmas in Whoville. With only four days to go before December 25, she doesn't have a decorated tree in her apartment or any presents bought. Plus she's chasing an elusive bail-jumper named Sandy Claws; a hunky guy named Diesel is literally popping in and out of her apartment; and a mob of manic elves is threatening to assault her with cookies. The end result is that Stephanie is feeling a tad stressed over the holiday season. Life isn't any calmer over at her parents' home in the Burg, where Grandma Mazur is dating a new octogenarian stud muffin; sister Valerie is wailing over some unwelcome news; and Stephanie's mother is coping by belting back tumblers of Red Roses in the kitchen. Just where is the elusive Mr. Claws hiding, and why? What's causing the power blackouts all over Trenton? And what about the mysterious villain, Mr. Ring? Is all of this real, or is
