**Von Jane Feather : Vixen** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vixen:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A

flawed hero who comes to terms with his past. Von Ein Kunde Unlike many stories in this genre this hero is not the typical strong macho type, but if you have read Violet you will recognize him as the captain in that story. Some readers may be upset by the crypt and all that goes on in there and the fact that the hero resorts to brandy to drown his memories and those "painted devils". However, there is historical accuracy in the setting, as the crypt and its rituals are somewhat similar to the actual Hell Fire Club which flourished in England at that time for many years, but the results of the depravities committed there are not the subject of novels in this genre. Granted the hero's ethics do not bear close examination, but neither character is written as a paragon of virtue. Not the usual gentle drawing room romance, but an interesting concept for those looking for a setting that is a little different. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Ein Kunde Unlike the other reviewer, I liked this book. It did not bother me that he slept with her while trying to marry her off since we were to believe that he loved her at that point. It bothered me more that he slept with her in the first place. He wasn't that drunk! And she was half his age. It also bothered me that he was never honest about his past until he had to be and then she was not even upset! I also find it depressing to read about alcoholics. But for some reason I liked the book enough to give Ms Feather another chance.

Kurzbeschreibung Chloe Gresham wasn't expecting a warm welcome - after all, her new guardian was a total stranger. But when Sir Hugo Lattimer strode into Denholm Manor after a night of carousing and discovered he'd been saddled with an irrepressible and beautiful young ward, the handsome bachelor made it perfectly clear he wanted nothing to do with her. Chloe, however, had ideas of her own... Driven by dark memories to a tormenting despair, the last thing Hugo needed was an irritating, infuriating, unpredictable schoolgirl, especially one whose stunning beauty and natural sensuality challenged his self-control. Yet he owed it to the girl to turn her into a proper lady and marry her off to a wealthy young lord in London. And by God he would do it... if only he could resist the temptation to bring her to his bed... and if only he could keep her safe from those who would use an innocent young woman for shameless revenge. Kurzbeschreibung Chloe Gresham wasn't expecting a warm welcome - after all, her new guardian was a total stranger.
