KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Psychic magnetismVon Peter Martin'Voices of the Soul' is a well written novella by Rene Folsom- sensuous and touching. The

story draws the reader in right from the start with Ella a young soul seer that meets Jonah and falls in love. Jonah is also a mind reader and the familiar magnetism pulls them together, creating an instant attraction between their souls. A great read that will certainly hit the Y/A teenage girls and get the gossip flowing- they will be chasing the next part in the series. It is a super story with strong characters, easy to read and flows well. A nail-biting ending with leave you wanting for more!

Kurzbeschreibung Throughout her entire life, Ella has heard voices. Voices inside her head. She's never given much thought as to why she has this gift or this curse, depending on which way you look at it. It's not until she meets the mysterious Jonah that she begins to question her inherited abilities as a Soul Seer. Learning to deal with loss and love, Ella manages to live a seemingly normal life or so she thought. Voices of the Soul was originally published in Paranormal Anthology with a Twist and has been expanded upon with five other additional books in the Soul Seers new adult paranormal romance series. "Rene Folsom puts a new twist in the concept of 'soul mate', taking our romantic notions to an eerily-desirable level of love, lust, and quite possibly lunacy!" Jayce Grayson, Author of Xianne: A Comedy of Cultures "Rene Folsom's imagination takes us on a mind blowing ~ soul shattering journey. The love and elements of surprise will leave you breathless..." Natalie Idrogo, NarlyNuts Book Lovers, narlynut.blogspot.com "This story was gut wrenching, sweet, exciting, and really left an impact on me. This story left me absolutely stunned and desperate to find out what happens next!" Terri Kinckner, Indie Addict Book Blog, teresabethscar.wordpress.com

Being a mother of three and wife of one, Rene has had to juggle career, kids, family, grocery shopping, and stain removal. Years of experience have provided her plenty of creative material to work with. While her artistic side as a graphic designer will always be a source of inspiration, using both words and design to take these very different experiences was just the next step in her journey. Residing in sunny Central Florida, Rene is now branching out into the literary world, combining her love of art and reading by providing contemporary and paranormal romance stories to her readers.
