Von Ben Bova : Voyagers before purchasing it in order to gage whether or not it would be worth my time, and all praised Voyagers:

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. GrippingVon gary.whorwood@nz.eyi.comYep, pretty good read. Almost more of a political drama than a science fiction novel as the various parties around the world play power games with each other.0 von 2 Kunden fanden die

KurzbeschreibungKeith Stoner, ex-astronaut turned physicist, knows the signal that his research station is receiving from space is not random. Whatever it is, it's real.And it's headed straight for Earth.He'll do anything to be the first man to go out to confront this enigma. Even lose the only woman he's ever really loved.And maybe start a world war.At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
