**Von John Burdett : Vulture Peak (Sonchai Jitpleecheep)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vulture Peak (Sonchai Jitpleecheep):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. The Vultures are pecking -they don't care if the meal is dead or alive...Von Miki101.Micha This series written by John Burdett is one of my favourites.I always have to read the new book when it comes out!The culprits are: The author and

his protagonist! This very intriguing detective, Sonchai Jitpleechee, created by John Burdett, is at his 5th novel, after Bangkok 8: A Novel (Vintage), Bangkok Tattoo (Vintage), etc... He is honest and pure, never can be bought. A real Buddhist on the Wheel. But smoking marihuana when he is really down, and the love to his wife, an ex-prostitute who works on her Ph.D., make him human again. And his boss is at his best this time, double-, triple- and more playing the protagonists of this very fine thriller. Vulture Peak is a (fictional) mansion on top of a (fictional) hill overlooking the fantastic tourist-trap island of Phuket.. It becomes the scene of a very bad triple-homicide involving the explant of the bodies internal organs, plus some of the externals (sexual, eyes, even the entire face..). Sonchai's boss, Colonel Vikam, puts him on the case - because he will run for the Mayor's seat of Krung Thep. And a campaign against Thailand being a center for the international organ traffic will help him to be elected. His nice poster is yet to be seen on every third lamp post in Bangkok... Three very split-tongued American ex-Cia consultants appear to help the political campaign for the Colonel, and poor Somchai has to help, too. With a BLACK amex-Card, our hero has to buy high-level designer cloths (Armani, etc ) - the poor boy, will have to travel 1st class wherever he has to go to, stay in 6 (!!!) Star Hotels - he really has to suffer... But then he will meet his foes - the Chinese Twins known as "The Vultures". A couple of so viscious women, You want to wash Your hands after You will have finished the book. Because here we are: After You will have finished the book! Because it will hold You 'til the last page, the solutions seemed to be soooo easy, but... Nothing is easy in this Burdett book. He, as always, leads us into a world full of madness, sociopaths, killers with and without rules, giving a good deal of social criticism to every istitution (Vatican f.e.) imaginable.. The reader will learn more about the traffic and the trasplant of human organs he ever perhaps wanted to know. What can be trasplanted (everything? ALMOST everything) and what are the cruel consequences if something doesn't fit, but goes horribly wrong? So our author has made a very fine mixture of strange humor, sociopatic thrill, carmic lessons and maniac acting. But the fans of Detective Jitpleecheep are yet salivating weeks before the new novel has to come out. He is like a good tasting, burning like hell Thai dish - You simply can't resist! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nr 5 der Reihe Von t0mwer die anderen Bcher der Reihe mit Vergngen gelesen hat, dem wird auch dieser Band gefallen. Aber ich empfehle dringend, mit Band 1 = "Bangkok eight" anzufangen! 1 von 2 Kunden fanden die folgende Rezension hilfreich. Eine andere Welt Von Timo Tiilikainen Burdett lehrt wie das Welt so ist aus buddhistische Perspektiv. Die westliche Welt macht irgendwie alles falsch obwohl in Osten luft es auch nicht viel besser aber das ist nicht so ernst zu nehmen. Da ist Sex, Drogen und Gewalt gegend und die Menschen alle irgendwie verrckt. Gefllt mir aber werde ich nicht ruhig nach dem Lektre schlafen. Diese exemplar ist nicht komplett: die seiten 183 bis 214 fehlen

Kurzbeschreibung Nobody knows Bangkok like Royal Thai Police Detective Sonchai Jitpleecheep, and there is no one quite like Sonchai: a police officer who has kept his Buddhist soul intact-more or less-despite the fact that his job shoves him face-to-face with some of the most vile and outrageous crimes and criminals in Bangkok. But for his newest assignment, everything he knows about his city-and himself-will be a mere starting point. He's put in charge of the highest-profile criminal case in Thailand-an attempt to bring an end to trafficking in human organs. He sets in motion a massive sting operation and stays at its center, traveling to Phuket, Hong Kong, Dubai, Shanghai, and Monte Carlo. He draws in a host of unwitting players that includes an aging rock star wearing out his second liver and the mysterious, diabolical, albeit gorgeous co-queenpins of the international body-parts trade: the Chinese twins known as the Vultures. And yet, it's closer to home that Sonchai will discover things getting really dicey: rumors will reach him suggesting that his ex-prostitute wife, Chanya, is having an affair. Will Sonchai be enlightened enough-forget Buddha, think jealous husband-to cope with his very own compromised and compromising world? All will be revealed here, in John Burdett's most mordantly funny, propulsive, fiendishly entertaining novel yet. Praise for John Burdett and his Bangkok novels: 'Cracking East meets West thriller introducing a half-Thai, half-American cop whose Buddhist beliefs are as important as his forensic skills. Terrific' Observer. 'A fantastic new thriller with an avenging Buddhist cop as its central character' Mail on Sunday. 'Read this book, savour the language - it's the last and most compelling word in thrillers' James Ellroy. 'Impeccably researched, this is sometimes poetic, often exotic, and totally hardcore' Daily Mirror. 'Burdett's fever-dream mysteries, set in Bangkok, recast the police procedural as psychedelic peep show.' The New Yorker. 'Burdett is purely and simply a wonderful writer.' The Washington Post Book World. Pressestimmen Supreme atmospheric and deeply cynical, Burdett has created Pacific noir in a way that would make Raymond Chandler smile... Don't miss them. Daily Mail Hallucinatory... Not for the faint of heart ... a classic head trip The New York Times Book Redolent-in the most enjoyable way-of crime, violence, corruption and sex, not necessarily in that order. Vulture Peak upholds the high standards set by its predecessors. The Washington Post Time and again, John Burdett breaks the crime-thriller mold. And then reassembles it, piece by piece. His narrative becomes more than the sum of its parts... Thoroughly enjoyable. New York Journal of Books Werbetext The fifth Bangkok novel featuring Royal Thai Police Detective Sonchai Jitpleecheep, the former Buddhist monk.
