da schon absolut begeistert - und wurde mit dem 1. Band der Reihe nicht enttäuscht:GB 1815: Dulcinea Craven stammt aus einer alten Familie von Hexen. Als ein zurückgewiesener Verehrer eines Tages als Vampir und mit einer Dmonin, welche Dulcineas Kräfte rauben möchte, im Schlepptau vor ihrer Tür steht, wendet sie sich in ihrer Verzweiflung an "the Righteous" - Devlin, Justine und Michael. Das Vampir-Trio, was als eine Art Gesetzlicher fungiert, ist zwar zunächst wenig begeistert von ihrem Babysitterjob, aber nachdem das Eis gebrochen ist werden sie schnell zu Freunden. Zudem beginnen Dulcinea und Michael sich ineinander zu verlieben. Als sich herausstellt, dass die Dmonin jedoch die Jagd nicht aufgeben wird, muss Dulcinea eine folgenschwere Entscheidung treffen...In einem Wort: WOW!Es ist mir unbegreiflich warum die Serie nirgends vermerkt oder querverlinkt ist, denn sie hat alles was eine gute Serie braucht: Sympathische Charaktere, logische "Vampirphysik", Spannung, Humor, Liebe und Leidenschaft.Jenna Maclaine hat es geschafft, das das Untotendasein, anstatt aus Aeonen starrer und verzweifelter Einsamkeit zu bestehen, plötzlich von Liebe und Freundschaft beseelt ist - kurzum: Hoffnung, Freude, Humor und Abenteuerlust vermittelt! Und das merkt man auch beim Lesen, da man selbst auch immer von einer freudigen Stimmung erfasst wurde. Perfekt also zum Vor dem Einschlafen lesen =>! Alles in allem eine echte Erfrischung nach den ganzen schwerwichtigen Vampir-Serien.Wem gefällt's: Aufgrund der Hexen/Vampir-Thematik sollten Fans von Kim Harrison goldrichtig liegen.Da es im 19. Jh spielt sollte man eher für Schwerter und Kutschen statt Pistolen und schnelle Autos zu haben sein.Wem gefällt's eher nicht: Wer gerne melancholische Vampirliteratur mit einem Hang zur Tragik hat, könnte hier eher enttäuscht sein, da es insgesamt doch sehr fröhlich zugeht.***** 5 SterneBtw: Warum sich die Lovestory so schnell entwickelt wird in der Short-story aus "Strange Brew" erklärt ;)1 von 1 Kunden fanden die folgende Rezension hilfreich. Great start of a new seriesVon margie24Dulcinea McGregor is a hereditary witch born in the early 19th century. She has yet to come into her full magical powers, but when she loses her parents in a tragic accident her mother is passing her powers on to her. But Dulcinea - or "Cin", as she is called later, does not have a long time of peace to mourn her parents. Sebastian Montford, a neighbour and childhood friend, who has turned into an unwelcome suitor as of late, knocks on her door a few days after the accident and asks her to marry him. When Cin refuses, he shows his true nature of having turned into a vampire and bites her. Cin escapes by summoning her magical powers involuntarily. However, Sebastian does not give up and since her blood is in his body now, he calls her and tries to make her come to him. With the help of an old wizard and friend of her mother, Cin summons the only help that is left to her - the Righteous, also vampires but enforcers of vampire law and executioners of all vampires who go against it. This group - two men and a woman - are very angry at Cin because of her summoning spell, but soon, the attraction between her and one of them (Michael) becomes very strong and they decide to help her fight Sebastian. However, the power behind Sebastian is a female demon and vampire named Kali who wants to use Cin's magical powers to rule the world. She is the incarnate of evil and Cin has no chance fighting her as a human because she is easy prey to vampire powers. Since vampire "tricks" don't work on vampires, she convinces Michael to turn her into a vampire that she can even stand a chance to fight Kali....I truly loved the plot and the characters of Cin and the Righteous a lot. The reason I give only four stars is the fact, that the love story between Michael and Cin happens quite fast and left me as the reader a bit behind on its development. This part was definitely not so well written as I would have liked. But I will definitely buy the sequel because I am very interested to know what happens with the Righteous.

KurzbeschreibungDulcinea Craven descends from a long line of witches, and she has just inherited wild, untrained magical powers that she has no idea how to control. Now a ruthless vampire and an age-old demon are determined to enslave Cin and steal her power for their own. Her only hope is The Righteous, a band of warrior vampires who slay the rogue undead. Among them is Michael, a fierce swordsman who inflames Cin's most primal hungers. Showing her a sensual pleasure beyond anything in the mortal realm, she must choose between the human existence she has always known, and immortality as a vampire's new life filled with forbidden urges, dark yearning, and unearthly passionsJenna Maclaine's Wages of Sin is "A wonderful blend of fantasy, romance, and intoxicating adventure, wickedly spiced with danger" (Gena Showalter, New York Times bestselling author).Pressestimmen""A wonderful blend of fantasy, romance, and intoxicating adventure, wickedly spiced with danger." --Gena Showalter, "New York Times" bestselling author "Maclaine's attention to detail and description brings this sexy, adventurous paranormal romance to life...Clever Cin matches sass and bravery with an innocence and vulnerability that will allow her to grow and develop through what promises to be a highly entertaining series." -Publishers Weekly"An imaginative new series...With danger omnipresent, compelling characters keep the story lively and the relationships intriguing. Here's to the next installment." -Romantic Times"I enjoyed the hero, the heroine, the plot, the secondary characters, the setting, the pacing...you name it, I liked it. Do yourself a favor...if you're looking for something different in the paranormal or historical romance arena, pick up Wages of Sin" -Good Reads s"WAGES OF SIN boasts a unique plot and setting, as well as a diverse and well developed cast of characters. Filled with danger, passion, and magic, WAGES OF SIN is sure to please fans of paranormal romance. I highly recommend it." --Romance Today "I am a particular fan of vampire stories in which vampires are defenders of humanity, to the point of slaying their own kind. Those books are

few and far between, but when they come along, they tend to be quality and this is no exception. The author's ability to build a complex world where there is well defined good vs. evil makes her prose strong and vivid. Seeing how Dulcinea, or Cin as she comes to be called, evolves will be intriguing." --Huntress s "A great love story...I can't wait to find out what happens next with The Righteous. A definite keeper!" -Night Owl sKurzbeschreibungDulcinea Craven descends from a long line of witches, and she has just inherited wild, untrained magical powers that she has no idea how to control.
