Bis Tanya 17 ist und Rick 23, dann werden sie ein Liebespaar gegen den Willen ihrer Eltern. Durch einen Betrug bricht Tanya jede Beziehung zu Mick ab, und fr 8 Jahre legt sie ihm Steine in den Weg so oft sie kann. Und nachdem beide im Restaurantgeschft sind, passiert das oft. Beide sind tief unglcklich, aber nicht imstande ber das Geschehene zu reden,

bis ein Sturm sie dazu zwingt. Ist Tanya fhig, zu verzeihen? Dies ist eine sehr gut zu lesende Liebesgeschichte, die mich von Beginn an interessiert hat. Die Charaktere sind sehr gut ausgearbeitet und liebenswert, auch die Nebendarsteller. Die Handlung ist glaubwrdig und nachvollziehbar. Die Sexszenen sind gut und dezent beschrieben, es sind auch nicht so viele, das sie von der Handlung ablenken;-) Warum dann keine 5 Sterne? Die Heldin hat mich mit ihrer nachtragenden Art manchmal in den Wahnsinn getrieben. Ich habe die Geduld bewundert, mit der Mick mit Tanya umgegangen ist. Wenn ich jemandem verzeihe, dann darf ich nicht stndig auf den alten Geschichten herumreiten. Auch der Vater ist unsympathisch beschrieben, wenn er auch gegen Ende menschlicher wird. Gesamt gesehen ein Buch fr alle, die an die groe Liebe glauben, die alle Hindernisse berwinden kann. Ich habe mich sehr gut unterhalten.

Kurzbeschreibung Twenty-six-year-old Tanya Reese Morgan should have moved to Florida with her parents and left Mick Leighton and the memories behind. That would have been the smart thing to do and she is a smart woman. Smart enough to take charge of their Seaside family business and turn the dated bar and grill into a trendy pub. But that was the driven, hard-working, professional Tanya. The brokenhearted Tanya, full of secrets and stubborn pride, didnt know what was good for her. If she did, she would have severed all ties with Mick, kissed her beloved Jersey Shore good-bye, and started a new life a thousand miles from the past. If she were that smart, she would have heeded her fathers warning long ago and steered clear of Mick Leighton in the first place. But how do you part ways with the man you still love even though hes crushed all your dreams? At seventeen, it was easy for Tanya to believe that Mick was just waiting for her to grow up. It was even easier for her to defy her parents and spend a blissful summer in his arms. The hard part was discovering that her father had been right all along. As summers come and go, each one a bittersweet reminder of the love they once shared, Tanya Morgan and Mick Leighton the man she cant forgive go on to lead separate lives in their small coastal community. Mick only wishes he knew why.

ber den Autor und weitere Mitwirkende In addition to writing, G. G. Lourie enjoys long walks and road trips with her husband. Her ideal day includes family, the sun on her face and a good Pinot noir. She is a proud native of New Jersey and a new, and very happy, year-round resident of the Jersey Shore. There she has found the perfect place to create her characters, imagine their story and determine their destiny. This is her debut novel.
