Von RobynAlpha Pairs Argo and Cooper are searching for a place to belong. They are both an Alpha Triad looking for a woman to complete them. As fate would have it Argo and Coopers twins have passed. Argos as a young man, Cooper taken as a baby, but the pain is still the same. They are missing that other part in them. Some of that was restored with their mating bond, now was the time for a female. Claire has no one to take care of. After the passing of her mom and her siblings all grown she is left to wonder, what is her fate? After a few to many she goes to Sassy Date and searches for someone. She does better than one but two! Leaving Georgia behind her takes a chance at love and moves to Shifter Grove. LOVE AT FIRST SIGHT! Passion, Romance and sweet sex connect these three in the Alpha Triad that they have wanted. Can Argo mend the relationship with his forgotten pack? Will they accept him and his mates? All of this juicy reading is one click away. Anya Nowlan dabbles in the M/M genre and it will raise a brow or more (wink). Love the series and cannot wait for the next installment.

KurzbeschreibungOne shy Georgia peach + Two hard, driven werewolves + Heated pack trouble = Shifter Grove mail-order bride romance at its finest! Claire Delane has lived her whole life for everyone else. In a secluded little Georgia town, she watched life pass her by. Now, it's time to take charge. First stop? Finding a love worth fighting for! Argo Longbrook and Cooper Greymane are both Alphas without their twins. They have both lost their brothers, but that doesn't have to be the end. Circumstances have brought them to Shifter Grove, and Cooper is determined to complete their Alpha triad with a mate meant just for them. But there's trouble lurking in Idaho and Argo hasn't revealed all his cards. Can his mates deal with that? And if an old villain is back searching for trouble, it's going to take everything they have to come out on top... Each book in the Shifter Grove Brides series can be read as a standalone and has a guaranteed HEA, no cliffhanger!
