Von Jenny Lykins : Waiting for Yesterday (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Waiting for Yesterday (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The least liked time-travel romance I've read!Von Ein KundeSorry, but I thought this book was boring. I guess I just didn't get it. I think the twin thing was taken way to far (her being a twin and him being a twin). And also, wasn't it stupid to anyone else that she couldn't tell apart the twin brothers especially where she was a twin herself? Give me a break! If you want a really good time travel romance read "Knight in Shining Armor" by Jude Devereau.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful!Von Ein KundeAll I will say is that I am not too fond of romances since a lot of them are stupid and without any real story behind them, but I loved this book!!!! Thank you, , for helping me find this. It was wonderful! I look forward to reading her other books and hope they are as good as this one was. I would definitely recommend this!0 von 0 Kunden fanden die folgende Rezension hilfreich. a heart-warming storyVon Ein KundeBarrett Overbrook doesn't realize how empty her life is until her guardian angel sends her back in time and she finds herself giving birth. Barrett's struggles to cope with raising a baby, the lack of modern conveniences and with her troubled husband will touch your heart. This book is well-written and fast-paced.

KurzbeschreibungWhen Barrett Overbrook arrived at the quaint BB, she was in an emotional tailspin. Her ex-fianc had just married her twin sister, and Barrett could no longer deny that the betrayal had shattered her. Soon after checking into her room she fell into a surprisingly peaceful slumber. But by the next morning her life had changed forever...Columbus, Ohio, 1887 - Like lightning, Barrett awoke. She was still at the same BB, but in its rustic charm it was now obviously a home. Everyone kept calling her Elizabeth, she was in excruciating pain, very pregnant, and very much in labor. The man at her feet informed her with more than a little resentment that he was her husband, but that he was NOT the father of the child he was delivering. Did her accursed guardian angel cause all of this? Was THIS the way he thought she could "fix" the loneliness in her life?KurzbeschreibungWhen Barrett Overbrook arrived at the quaint BB, she was in an emotional tailspin.
