**Von Ginger Scott : Waiting on the Sidelines (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Waiting on the Sidelines (English Edition):

KurzbeschreibungNolan Lennox had things figured out. Named after a baseball legend, she enjoyed being the

Tomboy, her closet filled with her brothers hand-me-downs, cut-off jeans and soccer shorts. But when her first trip to high school results in a broken heart from the first boy to ever make her heart flutter and cruel words from an older girl she once thought a family friend, Nolan starts to question the very person she thought she was and wonders if her humble upbringing can compete with the afforded luxuries of her privileged peers. Throughout the next four years, Nolan struggles to maintain herself throughout her path of discovery, learning just how cruel teenagers can be through the pressures of underage drinking, sexuality and class. And despite how life seems to continue to work against her, she still manages to listen to her heart, falling deeper and deeper for the guy the entire town adores, even if he only sees her as a friend. Can Nolan strike a compromise between her own integrity and the boy she loves? And can she make him notice her before it's too late?

Reed Johnson came to Coolidge High School with a lot of fanfare. The son of a hometown football legend and the brother of a local football hero, Reed wore all the pressures of carrying a town without hope into the spotlight. Thankfully, he had the talent to back it up. But when he meets a girl who makes him think twice about exactly what being a hero means, he starts to wonder if following in his brother's footsteps might be all wrong. Nolan Lennox was everything that was opposite of expected. She didn't flirt, she didn't drink and she didn't sleep around. Nothing about her was easy, but something about her made Reed want to try harder. Though she didn't look the part, she seemed to be spending a lot of time in Reed's thoughts, and he wondered if she could be the one who made it all worthwhile. But could Reed handle letting her down? And would breaking her heart break him beyond repair?

Waiting on the Sidelines explores young love to its fullest, exposing how real young heartbreak and passion is and how important it is to discover yourself and hold onto your own identity. The story follows two young characters as they deal with mature situations, including the prevalence of bullying and promiscuity in today's high school setting. Ultimately, Waiting on the Sidelines is a story of hope, honesty and those powerful, first true loves worth holding onto at any cost.

ber den Autor und weitere Mitwirkende Ginger Scott is a writer and journalist from Peoria, Arizona. Her newest novel, "Blindness," will be available in February 2014. Her debut novel, "Waiting on the Sidelines," is a coming-of-age love story that explores the real heartbreak we all feel as we become adults throughout our high school years. The story follows two characters, Nolan (a Tomboy with a baseball player's name) and Reed (the quarterback she wishes would notice her) as they struggle with peer-pressure, underage drinking, bullying and finding a balance between what your heart wants and what society says you should want -- even if you aren't ready. You can read it, and the sequel, "Going Long," now. Scott has been writing and editing for newspapers, magazines and blogs for more than 15 years. She has told the stories of Olympians, politicians, actors, scientists, cowboys, criminals and towns. For more on her and her work, visit her website at [www.littlemisswrite.com](http://www.littlemisswrite.com).
