DurchschnittlichVon SunneZwei Mnner gehen nach einer instensiven Liebesbeziehung unterschiedliche Karrierewege in der Armee. Nachdem beide durch diese geschdigt wurden, finden sie sich wieder.Nett - auch ziemlich einfhlsam geschrieben - aber erstmal ohne wirkliche Hhen und Tiefen, die Geschichte pltschert irgendwie so hin und so ganz

kann man sich einfach in beide nicht einfhlen. Zum Ende hin kommt dann - inzwischen fast schon strend in der ganzen Romantik - doch noch einen kurzen Moment Drama auf, welches sich aber auch schnell genug wieder auflst. Alles in allem - gute Themen - wie die z.B. Hilflosigkeit als UN-Soldat - werden zwar thematisiert, knnen aber nicht wirklich emotional greifen. Die "Familiensung" des Buches hat dann auch noch zu sehr "Zuckerguss". Ansonsten eben - ein ganz nettes Buch aber nichts, was mich wirklich "vom Hocker" reisst oder dazu bringt, es in nchster Zeit nochmals zu lesen. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Very nice (englische Rezension) Von GeraltTwo ex-soldiers reunite and try to find love and peace together, but there is still a dark shadow from the past stalking them. The relationship felt very real, the sex scenes were good, but not overdone, and the two men were very likeable. What I find fascinating about the gay romances recently published by publishers like Dreamspinner, Samhain, Loose Id or here Cheyenne is how easily they blend conservative values with gay relationships. Everything is about fidelity in monogamous relationships and conservative gender roles, things some gay activists have problems with. And to be honest, if you are a regular in the gay scene, how much such relationships will you find there? Here even children are brought into gay versions of a traditional family. I really like that.

Kurzbeschreibung A Souls Reunited Story A companion to the Royal Navy Series John Hanson joined the military because he wanted to serve his country. Lacking a home and family of his own, the idealistic young man longed to be a part of something bigger than himself. He didnt expect to find love in officers trainingso when an assignment took him away from Kevin Kendrick, the love of his life, he sacrificed personal happiness and did his duty. Kevin has made his own sacrifices. Career came first, and the impressionable Army brat, tired of living in his fathers shadow, pledged his loyalty to his country and followed his ambition. Now, seven years later, when the Army Kevin so faithfully served has made him the scapegoat for their latest Middle East snafu, he can only think of one place to go, one man who can provide solace and heal his wounds John. Reunited, the two war-weary lovers once again discover their passion for life, love, and one another. But Kevins past isnt through with him yet, and when an old enemy surfaces, the two men realize that they must face the nightmares of the past together if they are to have the future they dream of.
