Book 2}-A THRILLING SUSPENSEFUL HEART-MELTING ROMANTIC STORY. I so love standalone series. It is exciting getting to know the personalities of the characters and their back stories. The characters are powerful, sultry, their personas unique, and full of unexpected surprises. This story focuses on; DEACON, a strapping bear-shifter, and member of the Glowstone Guardians; ANNALISE, a curvaceous, fearless, dark-haired beauty, and powerful wolverine. What you'll find in this story; a remarkably cast of impressive and engaging characters, incredible story-line, picturesque and powerful vivid scene descriptions, superb banter, gripping suspense, horrific danger, heart-rending moments. pent-up rage, action packed, camaraderie, a surprise, jaw-dropping toe-curling passionate romance, and a heart-warming conclusion leaving you smiling and wanting more. Deacon has a gut-wrenching past and is wanted for a crime he didn't commit. Running and hiding for three years does not make a content man. Annalise, a professional bounty hunter has come to Glowstone to claim her bounty, and bring him to justice. When the two learn they are fated mates, the game plan changes. Deacon comes up with a not so safe plan to end the misery of running and hiding. Knowing they are both taking a high risk, they leave Glowstone in the hopes of proving him innocent, and coming home alive to tell the tale. WOW/SENSATIONAL-fast paced well written impressive read by a truly gifted author. I just adored these two together; definitely praise-worthy characters. Deacon is powerful, Annalise is a force to be reckoned with, both devoted to keeping each other safe and happy . Their story keeps you hooked till the end. The romance is steamy, and the action spine-chilling. This was a most exhilarating read, and I relished it. I look forward to reading the next book in this exciting series. If you treasure shifter romance this is certainly a fantastic book for your library. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung You can't escape justice... or love. His luck's finally run out. For three years bear shifter Deacon Beale's wits have kept him one step ahead of capture. Falsely accused of the worst crime a shifter can commit, he's left his clan and past behind forever to live a hunted life. Glowstone Park was supposed to be nothing more than another temporary hideout for a bear on the run. But when his past catches up to him in the form of confident, curvaceous Annalise Frye, he's not sure he wants to run any more. She's caught more than just a bounty. Bounty hunter Annalise's reputation as a professional is beyond reproach. To her, Deacon is just a job, a name on a list, nothing more. Then the animal in her recognizes him as her fated mate, and her detached demeanor is challenged beyond any limit she's ever tested. He's so much more than a bounty to her, but there's still a target on his back. Together, or not at all. There's only one way to prove his innocence, but it will put both of them in mortal danger. Can Deacon let Annalise tie her fate to his, knowing she risks everything for him?
