HILARIOUS OPENING ENGAGING CHARACTERSVon Kyle1119@aol.comThis is Ms. Roberts cross-over book. It's kind of a blend of her great series The Rose Tattoo and her new series (announced in the back of the book) The Landry Brothers (starts in October).The set-up for this story is priceless and utilizes this author's unique sense of humor. The hero, Cade Landry (apparently he's a cousin to her up-coming Landry Brothers), is attempting to save the heroine from a determined stalker. The stalker's identity is just too funny! Which is countered by serious moments between the heroine, Barbara Prather, and the hero's 16 year old daughter, Jess. Hopefully in a few years, Jess can have her own story. This girl was a delightful blend of insecurity and attitude.As susal, the chemistry between the hero

and heroine is flawless. The banter between the two is so realistic, it's amazing! The sexual tension is great and the sex is tastefully handled. This book was worth waiting for and I can't wait until October to meet more of the sexy Landry Brothers! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderfully entertaining Von Ein Kunde Kesley Roberts really knows how to kick off a new series! What an ingenious concept! Funny, witty, a really good read. Loved the by-play with the spoiled teenage daughter and the confusion with the Elvis impersonators. Such fun. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I enjoyed every page of the book. Von Ein Kunde The book was a wonderful blend of humor and suspense. If this is a preview of what's to come in the Landry Brothers Series, readers of Intrigues have a lot to look forward to. This book is a keeper.

Kurzbeschreibung THE ROSE TATOO Where the special of the day is danger for dinner and romance for dessert! TOO BOLD, TOO ARROGANT, TOO SEXY Barbara Prather ranted on and on about her cowboy protector but she couldn't seem to get enough of him! Cade Landry had kidnapped her for "her own good" and once they were holed up on his Montana ranch, she didn't know whether to give him the cold shoulder, or kiss him senseless Cade had two jobs keeping Barbara safe, and hiding his true purpose in holding her captive. As the only witness to murder, Barbara had an assassin on her trail. If the stubborn woman wouldn't watch out for herself, Cade would have to do it for her but was his interest professional or personal?
