Von ML Ross : Wanted (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wanted (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kann man gut lesenVon BcherliebeAlso die Hauptpersonen sind 21 und 22 Jahre alt und damit noch ziemlich jung sprich unerfahren. Man knnte laut dem Vorschautext vermuten, dass es ziemlich dster zugeht. Das tut es aber nicht. Die

Geschichte eignet sich auch für Leute mit schwachen Nerven. Es ist alles halb so schlimm und wird komplett aufgeklärt. Etwas mehr Spannung hätte ich mir doch gewünscht.
