the good vamps. While training his younger brother, who was joined Angus Security and Investigation firm, Phin has to work with Phil's sister, a werewolf princess, who has lived a life far from being spoiled. There is almost an instant connection between these two main characters and Bryn (Phil's sister) realizes that the Vamps aren't that bad at all and more like a family than her own, while trying not to get married to a sleazy werewolf, who wants to kill her and her whole wolfie-family. Anyway, I do have to say that I love this whole series and even though this one isn't one of my favourites it's still good. If you love the series then you must read this one as well. You'll laugh quite a few times and don't want to put the book away before you're done reading (just like with all the other books of KS). 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wie immer suuuper!! Von Cornelia Wollersheim Das neueste Buch in der Love at Stake Reihe handelt von Phineas auch genannt der Love Doctor. Sein Auftrag geht um das Auffinden und Fangen von Corcy, die sich bekanntlich den Malcontents angeschlossen hat. Da seine Mitstreiter in alle Winde verstreut sind und Hinweisen nachjagen, bleibt ihm am Ende keine andere Wahl, als mit der Werwlfyn Brynley Jones in deren Heimat zu reisen. In jeder Hinsicht ist das eine gefhrliche Sache. Nach auen hin knnen sich die beiden nicht ausstehen, jedoch wie es "da drinnen aussieht, steht auf einem anderen Blatt. Dieses Buch hat wieder alles: Spannung, Action, sexy und ganz viel Humor. Ups htte ich fast vergessen: Vampir-Werwolfbabys sind unterwegs. :-)) 0 von 0 Kunden fanden die folgende Rezension hilfreich. wow Von Customer another great book in the series, loved the pairs dynamic and can't wait for the next installation of the series.

Buchrckseite He's a vampire from the big city . . . Phineas McKinney thought New York City was tough, until he was attacked by Malcontentsevil vampires who consider mortals to be snacks. Saved by the good vampires, Phin swore to devote his now undead life to stopping the Malcontents. He's got his job cut out for him when word comes that their enemy may be hiding in Wyoming. What does a city boy like him know about horses and campfires? Good thing he's got Brynley Jones with him . . . if only she didn't hate every vampire on earth. She's a werewolf princess . . . Bryn believes vampires are seductive and charming, and that makes them dangerous. So she's more than a little annoyed about teaming up with Phin, even if he is the only bloodsucker able to make her inner wolf purr. But as they hunt down the new leader of the Malcontents, danger threatens . . . and Phineas and Brynley discover a passion that will rock the foundation of their supernatural world.
