Von Linda Lael Miller : Wanton Angel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wanton Angel (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. a change of pace for Ms. Miller Von Ein Kunde I have been a big fan of her later works. This is the first one I have read that is a

bit older. I like her novels that lead into a series. *Wanton Angel* leaves you dancing in the aisles. She never fails to sweep a reader away with the heart felt search for love. I found myself wanting to help the young woman find a better job though. Ms. Miller's more recent novels the *springwater* series are quick reads and very enjoyable.

KurzbeschreibungWhen Bonnie McKutchen left her weathy husband in a storm of heartache and betrayal, she fled New York with nothing but the dress on her back. Eli McKutchen finally caught up with her in a Washington mining town, outraged to find his beautiful wife dancing for money in a gaudy saloon. Yet as his temper flared, so did his passion...for nothing could extinguish Bonnie's blazes once she set them. Tormented with desire by his every touch, Bonnie yielded to the wild delight of her husband's embrace. Time and again she vowed to resist, and was sweetly defeated. But with savage pride, she denied her love...even at the risk of losing him forever!
