SammlungVon Hau E.nachdem in meiner Bibliothek gewisse Klassiker einfach nicht fehlen drfen - und diese Serie recht gnstig ist - habe ich mir einige Bnde der "Wordsworth Classics" zugelegt. Format ist handlich, Schrift SEHR klein - aber noch gut lesbar.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr schne und preiswerte Ausgabe in einem BandVon Theo T.Wer das Meisterwerk Tolstoy's in einem Band lesen will, ist hier sehr gut bedient. Das Buch hat Taschenbuchformat und ist auf bestem Dnndruckpapier gedruckt.

KurzbeschreibungI don't understand it; I don't in the least understand why men can't live without wars. How is it that we women don't want anything of the kind, don't need it?Tolstoy's epic masterpiece intertwines the lives of private and public individuals during the time of the Napoleonic wars and the French invasion of Russia. The fortunes of the Rostovs and the Bolkonskys, of Pierre, Natasha, and Andrei, are intimately connected with the national history that is played out in parallel with their lives. Balls and soires alternate with councils of war and the machinations of statesmen and generals, scenes of violent battles with everyday human passions in awork whose extraordinary imaginative power has never been surpassed. The prodigious cast of characters, both great and small, seem to act and move as if connected by threads of destiny as the novel relentlessly questions ideas of free will, fate, and providence. Yet Tolstoy's portrayal of maritalrelations and scenes of domesticity is as truthful and poignant as the grand themes that underlie them.In this definitive and highly acclaimed Maude translation, Tolstoy's genius and the power of his prose are made newly available to the contemporary reader. In addition this edition includes a new introduction by Amy Mandelker, revised and expanded notes, lists of fictional and historical characters, a chronology of historical events, five maps, and Tolstoy's essay 'Some Words about War and Peace'.KurzbeschreibungI don't understand it; I don't in the least understand why men can't live without wars. Greater than a historical chronicle, War and Peace is an affirmation of life itself, 'a complete picture', as a contemporary reviewer put it, 'of everything in which people find their happiness and greatness, their grief and humiliation'. Tolstoy gave his personal approval to this translation, published here in a new single volume edition, which includes an introduction by Henry Gifford, and Tolstoy's important essay 'Some Words about War and Peace'.
