Inhalt  
Der Komet, geschickt von den Gttern um die Menschen an ihre Sterblichkeit zu erinnern, trifft auf Krynn. Istar, die Hauptstadt der Priesterknige und der Haupttempel werden zerstr und in der Blutigen See begraben. Die nchsten Jahre auf Krynn sind gekennzeichnet von Hunger, Tod und Pestilenz und selbst die Gtter haben den Rckzug angetreten. 100 Jahre spter kommen Raistlin, Caramon und Crysania in Palanthis an. Raist bezieht seinen Turm erneut, besser gesagt bevor er einzieht. Zusammen mit seinem Schler, dem Dunkelelfen Dalamar, versucht er neues Leben zu erschaffen aber versagt klglich, trotz der Macht die er besitzt. Hier, in seinem Turm will er nun das Portal durchschreiten um endlich die Dunkle Majestt, Takhisis selbst, herauszufordern. Doch alles kommt anders als er es geplant hat. Gefangen in einer Zeitschleife geht Raistlin unaufhrlich auf seine eigene Vernichtung zu und kann den Flu der Zeit doch nicht ndern, da dies Menschen nicht gestattet ist. Aber da hat er nicht mit dem Fluch und Segen Krynn gerechnet, den Kndern. Tasslehoff wurde mit dem ganzen Tempel zu Istar in den Abyss geschickt, dem Reich ihrer Dunklen Majestt und konnte von dort wieder entkommen um Raist eine Botschaft von Takhisis hchstpersnlich zu berbringen. Ein Kender, das ist es was Raistlin braucht um dem Tod zu entkommen...  
Fazit  
Wie so oft ist der 2. Teil einer Trilogie meist der schwchere, aber man mu ihn einfach lesen damit man die ganze Geschichte berblicken kann. So ist dieser Roman sozusagen als Brcke zwischen der fulminanten Story des 1. Teils Time of the twins und dem explosiven Ende des 3. Teils Test of the twins zu sehen. Trotz der teilweise etwas langsameren Geschichte immer noch eine Perle des Genres.

Von Ein Kunde  
I was first introduced to Dragonlance when I was 10 years old. I am now 22 years old and almost finished with college. I have read many different kinds of books in those 12 years, but I always find myself returning to the world of Krynn. My perceptions of the books and the characters have changed many times throughout the years, but my love of the world and the authors' style has not. When I first read this book as a 5th grader, I thought it was ok, but not one of my favorites, even though Raistlin came to be the most interesting, intriguing character I have ever encountered to this date. One of Weis and Hickman's greatest traits is their ability to make you truly identify and sympathize with the characters, an ability that is utilized fully in this trilogy. Another trait I have always admired is their ability to make their "evil" characters complex. Raistlin is evil, but yet you aren't made to completely hate him. Instead, they want you to understand both him and his motives. As a kid, I preferred the Chronicles trilogy. I believe that one of the reasons is because it had a lot of action and dialogue. It was fast-paced and clear-cut. These are our heroes, those are the bad guys, this is what the heroes need to do to defeat the darkness. The Legends series, on the other hand, is different. There are fewer characters, so greater focus can be upon those characters. This trilogy wasn't meant to be Chronicles Part II. This is a lot more dramatic, complex series, that requires a lot more thought to read. I now believe that I can say that my favorite book in the Dragonlance series is War of the Twins. This may not have as many sword-and-sorcery type battles like Chronicles, but the internal and inter-personal battles more than make up for it. Caramon especially impressed me this time around, although just as much characterization was spent with Raistlin, Crysania, and Tas. The two most poignant and moving scenes in the entire book was the search for Crysania (especially the night before they found her) and Caramon's confrontation with Raistlin before the Portal. The confrontation especially moved me beyond words to describe it. In conclusion, I would like to say that this book, like the Legends trilogy, is definitely NOT meant just for children, but has a lot of adult themes in it as well. If you are mainly an action/adventure fan, you might not be totally satisfied, but if you love a good dramatic read, love Dragonlance, and love Raistlin and Caramon, this trilogy is for you. This book should not even be read, however, unless one has read at least Time of the Twins first, if not the entire Chronicles trilogy before it as well.

Von F. T. Barrett  
The saga of Raistlin and Caramon continue in this outstanding novel. The relationship of the twins is studied more and more as Raistlin's evil slowly becomes more apparent to the good-hearted warrior. Lady Crysania's struggles to answer the questions of her faith as Raistlin attempts to reel her into his darkness. Tas appears less in this book than in the first but he still makes major contributions and of course adds some fantastic humor. Caramon superbly commands an army during the Dwarfgate wars, and we find out maybe Caramon isn't as dumb as we all thought. This story is told with a stirring narrative that, at times, makes you feel like death is walking on Krynn. One warning make sure you have the third book in the trilogy on hand, because you will be dying for it when you finish this one. Also, all hail to Rabbit-Slayer.

Kurzbeschreibung  
One hundred years have passed since the fiery Cataclysm that changed the face of Krynn forever. For one hundred years, the people of Krynn have struggled to survive. But for some, those one hundred years have passed in the blink of an eye. Catapulted forward in time by Raistlin's powerful magic, Caramon and Crysania find themselves aiding the mages' unholy quest to master the Queen of Darkness. To his dismay, Raistlin discovers along the way that the annals of Time are not so easily bent to his will. Neither are the longings of his heart.
