**Von Sheryl Browne : Warrant for Love (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warrant for Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I would not mind reading this again and againVon KimMayaSuttonWarrant for Love a rompy romcom! Frisky, funny and full

of intrigues. This is another proof that you just cannot judge a genre because of one book you might have read eons ago. Sheryl's book is modern, fast, and full of new plot twists. When I first read it (and Sheryl was still biting her nails waiting for my opinion), I utterly enjoyed this book and was not at all afraid to read it again to copy edit it and THAT does not always happen with books.

Kurzbeschreibung Move over Mr Grey! The men in this book made my toes curl! Ohhh la la. Helloooooooooo boys! Will make you want to break the law - 5 STARS! This is a fantastic romantic comedy with a superb supporting cast. Fantastic feel good book! 5 stars! Warrant for Love Blackmail, lies, adultery, heartache. Three Love stories wrapped up in one sexiliciously hilarious package. Disillusioned in life and love, boy-in-blue PC Paul Davis is moody, broody and not great relationship material. He comes from a broken home, his wife is divorcing him, he's got no place to live, he's losing custody of his son, and his sergeant, who's sleeping with his wife, is a bully who constantly baits him. Leanne's caught her about to be ex cheating on her again, but as she's about to impart her thoughts on the subject, she's wrongfully arrested for soliciting by Paul and his partner. Despite his thundering faux pas, a relationship blossoms and things could be looking up for Paul, if only he can overlook the fact that Leanne's friends, beleaguered mum Nicky and financial Goddess Jade, are about to embroil Leanne in a plot to blackmail her ex. Leanne wants closure. Paul wants a home. Nicky and Jade want revenge. Blackmail, lies, adultery, heartache. Will it all work out in the end or will Paul uphold the law?
