auch! Von Emma gibt's solche Kistchen? Die Story ist gut geschrieben und schnell gelesen. Zum Glück gibt es nicht nur diesen einen Band. Und eins kann ich gleich sagen: Wenn man den letzten gelesen hat, versteht man die erste nochmal neu

Kurzbeschreibung A Highlander time-travel, erotic romance, short story (about 40 pages) WARRIOR IN A BOX is the first story in The Highland Jewel Series. Lainie Shaw, travel writer, workaholic, has no time for men. Even if she did, no man could match up to the one in her imagination. A man who makes her blood heat, her body weep and her heart clench with love. Instead, she is almost content drooling over sexy paintings of highland warriors while working in Inverness, Scotland. An unexpected purchase in the way of an antique box delivers the man of her dreams right at Lainie's feet. Her wildest fantasies are realized when the highlander shows her up close and personal what he doesn't wear under his kilt. Not only do they click physically, but emotionally, Lainie finds herself falling hard and fast for this sensual, sweep her off her feet, man from the past.
